The author recounts his life and career, explains what inspired him to draw animated cartoons, and describes his long partnership with Bill Hanna

In the fall of 1948, Ernest Hemingway made his first extended visit to Italy in thirty years. His reacquaintance with Venice, a city he loved, provided the inspiration for Across the River and into the Trees, the story of Richard Cantwell, a war-ravaged American colonel stationed in Italy at the close of the Second World War, and his love for a young Italian countess. A poignant, bittersweet homage to love that overpowers reason, to the resilience of the human spirit, and to the worldweary beauty and majesty of Venice, Across the River and into the Trees stands as Hemingway's statement of defiance in response to the great dehumanizing atrocities of the Second World War. Hemingway's last full-length novel published in his lifetime, it moved John O'Hara in The New York Times Book Review to call him " the most important author since Shakespeare. "

Do you know what "quatrefoil" and "impolitic" mean? What about "halcyon" or "narcolepsy"? This book is a handy, easy-to-read reference guide to the proper parlance for any situation. In this book you will find: Words You Absolutely Should Know (covert, exonerate, perimeter); Words You Should Know But Probably Don't (dour, incendiary, scintilla); Words Most People Don't Know (schlimazel, thaumaturgy, epergne); Words You Should Know to Sound Overeducated (ad infinitum, nugatory, garrulity); Words You Probably Shouldn't Know (priapic, damnatory, labia majora); and more. Whether writing an essay, studying for a test, or trying to impress friends, family, and fellow cocktail party guests with their prolixity, you will achieve magniloquence, ebullience, and flights of rhetorical brilliance.

Critical Theory Today is the essential introduction to contemporary critical theory. It provides clear, simple explanations and concrete examples of complex concepts, making a wide variety of commonly used critical theories accessible to novices without sacrificing any theoretical rigor or thoroughness. This new edition provides in-depth coverage of the most common approaches to literary analysis today: feminism, psychoanalysis, Marxism, reader-response theory, new criticism, structuralism and semiotics, deconstruction, new historicism, cultural criticism, lesbian/gay/queer theory, African American criticism, and postcolonial criticism. The chapters provide an extended explanation of each theory, using examples from everyday life, popular culture, and literary texts; a list of specific questions critics who use that theory ask about literary texts; an interpretation of F. Scott Fitzgerald's The Great Gatsby through the lens of each theory; a list of questions for further practice to guide readers in applying each theory to different literary works; and a bibliography of primary and secondary works for further reading.

Outsider musicians can be the product of damaged DNA, alien abduction, drug fry, demonic possession, or simply sheer obliviousness. This book profiles dozens of outsider musicians, both prominent and obscure—figures such as The Shaggs, Syd Barrett, Tiny Tim, Jandek, Captain Beefheart, Daniel Johnston, Harry Partch, and The Legendary Stardust Cowboy—and presents their strange life stories along with photographs, interviews, cartoons, and discographies. About the only things these self-taught artists have in common are an utter lack of conventional tunefulness and an overabundance of earnestness and passion. But, believe it or not, they ' re worth listening to, often outmatching all contenders for inventiveness and originality. A CD featuring songs by artists profiled in the book is also available.

A broad-based and withering critique of America's current trajectory.

WINNER OF THE PULITZER PRIZE • NEW YORK TIMES BESTSELLER • The epic, beloved novel of two boy geniuses dreaming up superheroes in New York ' s Golden Age of comics, now with special bonus material by the author—soon to be a Showtime limited series " It's absolutely gosh-wow, super-colossal—smart, funny, and a continual pleasure to read. " —The Washington Post Book World Named one of the 10 Best Books of the Decade by Entertainment Weekly • Finalist for the PEN/Faulkner Award, National Book Critics Circle Award, and Los Angeles Times Book Prize A " towering, swash-buckling thrill of a book " (Newsweek), hailed as Chabon ' s " magnum opus " (The New York Review of Books), The Amazing Adventures of Kavalier & Clay is a triumph of originality, imagination, and storytelling, an exuberant, irresistible novel that begins in New York City in 1939. A young escape artist and budding magician named Joe Kavalier arrives on the doorstep of his cousin, Sammy Clay. While the long shadow of Hitler falls across Europe, America is happily in thrall to the Golden Age of comic books, and in a distant corner of Brooklyn, Sammy is looking for a way to cash in on the craze. He finds the ideal partner in the aloof, artistically gifted Joe, and together they embark on an adventure that takes them deep into the heart of Manhattan, and the heart of old-fashioned American ambition. From the shared fears, dreams, and desires of two teenage boys, they spin comic book tales of the heroic, fascist-fighting Escapist and the beautiful, mysterious Luna Moth, otherworldly mistress of the night. Climbing from the streets of Brooklyn to the top of the Empire State Building, Joe and Sammy carve out lives, and careers, as vivid as cyan and magenta ink. Spanning continents and eras, this superb book by one of America ' s finest writers remains one of the defining novels of our modern American age. Winner of the Bay Area Book Reviewers Award and the New York Society Library Book Award

Here too are recollections of Hollywood's effects on local culture, the precedent-setting merger of the black and white musicians' unions, and the repercussions from the racism in the Los Angeles Police Department in the late 1940s and early 1950s.

Windham-Campbell Prize, Winner OCM Bocas Prize for Caribbean Literature, Winner OCM Bocas Prize for Caribbean Literature Poetry, Winner Griffin Poetry Prize, Finalist Derek Walcott Prize for Poetry, Finalist Rebel Women Lit Caribbean Reader's Awards, Finalist Governor General's Literary Award for Poetry, Finalist Trillium Book Award for Poetry, Finalist Raymond Souster Award, Longlist Pat Lowther Memorial Award, Longlist Quill & Quire 2020 Books of the Year: Editor's Picks CBC Best Canadian Poetry of 2020 Winnipeg Free Press Top 10 Poetry Picks of 2020 The Paris Review, Contributor's Edition, Best Books of 2020 The Dyzgraphxst presents seven inquiries into selfhood through the perennial figure Jejuné. Polyvocal in register, the book moves to mine meanings of kinship through the wide and intimate reach of language across geographies and generations. Against the contemporary backdrop of intensified capitalist fascism, toxic nationalism, and climate disaster, the figure Jejuné asks, how have I come to make home out of unrecognizability. Marked by and through diasporic life, Jejuné declares, I was not myself. I am not myself. My self resembles something having nothing to do with me.
