NATIONAL BOOK AWARD WINNER

• “Altogether gripping, shocking, and brilliantly told, not just a tour de force in its stylistic range, but a great American novel, as powerful a reading experience as nearly any in our literature.”—Michael Dirda, *The New York Review of Books*
Killing Mister Watson, *Lost Man’s River*, and *Bone by Bone*—Peter Matthiessen’s great American epic about Everglades sugar planter and notorious outlaw E. J. Watson on the wild Florida frontier at the turn of the twentieth century—were

originally conceived as one vast, mysterious novel. Now, in this bold new rendering, Matthiessen has marvelously distilled a monumental work while deepening the insights and motivations of his characters with brilliant rewriting throughout. Praise for *Shadow Country* “Magnificent . . . breathtaking . . . Finally now we have [this three-part saga] welded like a bell, and with *Watson’s* song the last sound, all the elements fuse and resonate.”—*Los Angeles Times* “Peter Matthiessen has done great things with the *Watson* trilogy. It’s the story of our continent, both land and people, and his writing does every justice to the blood fury of his themes.”—Don DeLillo “The fiction of Peter Matthiessen is the reason a lot of people in my generation decided to be writers. No doubt about it. *Shadow Country* lives up to anyone’s highest expectations for great writing.” —Richard

Ford "Shadow Country, Matthiessen's distillation of the earlier Watson saga, represents his original vision. It is the quintessence of his lifelong concerns, and a great legacy."—W. S. Merwin "[An] epic masterpiece . . . a great American novel."—The Miami Herald

When his novel *Killing Mister Watson* was published in 1990, the reviews were extraordinary. It was heralded as "a marvel of invention . . . a virtuoso performance" (*The New York Times Book Review*) and a "novel [that] stands with the best that our nation has produced as literature" (*Los Angeles Times Book Review*). Now Peter Matthiessen brings us the second novel in his Watson trilogy, a project that has been nearly twenty years in the writing. A story of epic scope and ambition, *Lost Man's River* confronts the primal relationship between a dangerous father and his

desperate sons and the ways in which his death has shaped their lives. Lucius Watson is obsessed with learning the truth about his father. Who was E. J. Watson? Was he a devoted family man, an inspired farmer, a man of progress and vision? Or was he a cold-blooded murderer and amoral opportunist? Were his neighbors driven to kill him out of fear? Or was it envy? And if Watson was a killer, should the neighbors fear the obsessed Lucius when he returns to live among them and ask questions? The characters in this tale are men and women molded by the harsh elements of the Florida Everglades--an isolated breed, descendants of renegades and pioneers, who have only their grit, instinct, and tradition to wield against the obliterating forces of twentieth-century progress: Speck Daniels, moonshiner and alligator poacher turned gunrunner; Sally Brown, who struggles to escape the racism

and shame of her local family; R. B. Collins, known as Chicken, crippled by drink and rage, who is the custodian of Watson secrets; Watson Dyer, the unacknowledged namesake with designs on the remote Watson homestead hidden in the wild rivers; and Henry Short, a black man and unwilling member of the group of armed island men who awaited E. J. Watson in the silent twilight. Only a storyteller of Peter Matthiessen's dazzling artistry could capture the beauty and strangeness of life on this lawless frontier while probing deeply into its underlying tragedy: the brutal destruction of the land in the name of progress, and the racism that infects the heart of New World history.

In a malarial outpost in the South American rain forest, two misplaced gringos converge and clash in this novel from the National Book Award-winning author. Martin Quarrier has come to convert the elusive Niaruna Indians to his brand of Christianity. Lewis Moon, a stateless mercenary who is himself part Indian, has come to kill them on the behalf of the local comandante. Out of this struggle Peter Matthiessen creates an electrifying moral thriller—adapted into a movie starring John Lithgow, Kathy Bates, and Tom Waits. A novel of Conradian richness, *At Play in the Fields of the Lord* explores both the varieties of spiritual experience and the politics of cultural genocide.
