Of all winter sports, none is so widely watched and commented upon by the media as figure skating, which is often considered the Winter Olympics' centerpiece. This critical text examines the ways in which media attention has gradually altered and affected the sport, from the early appearances of Sonja Henie, to skating's gradual audience growth via television, and to the ramifications of the scandals in the 1994 and 2002 Olympics. The topic is illuminated by more than 30 interviews with commentators, skaters, producers, directors and others. In addition to numerous photos, illustrations show the compulsory figures for which "figure skating" got its name, as well as a sample of the charted-out "camera blocking" for TV directors. Appendices include collected anecdotes from early broadcasting experiences; a profile of broadcaster Jim McKay; and commentary from Carol Heiss on her 1961 musical Snow White and the Three Stooges.

It was a beautiful, warm summer day, the day Danny died. Suddenly Wren was alone and shattered. In a heartbroken fury, armed with dark incantations and a secret power, Wren decides that what she wants—what she must do—is to bring Danny back. But the Danny who returns is just a shell of the boy Wren fell in love with. His touch is icy; his skin, smooth and stiff as marble; his chest, cruelly silent when Wren rests her head against it. Wren must keep Danny a secret, hiding him away, visiting him at night, while her life slowly unravels around her. Then Gabriel DeMarnes transfers to her school, and Wren realizes that somehow, inexplicably, he can sense the powers that lie within her—and that he knows what she has done. And now Gabriel wants to help make things right. But Wren alone has to undo what she has wrought—even if it means breaking her heart all over again.

See, here's the thing. My friends think my new soccer practice partner, Graham Fordham, is a complete hottie. I guess he is, but he and I have this understanding. We're friends because we both think dating is an annoying pain in the butt. Don't get me wrong. I love my bff's, but they've both lost their minds a little since boys came on the scene. All I want to focus on is making varsity soccer as a freshman. Crazy hard, but I know I can do it with Graham's help (yes, he's an amazing athlete, and no, I have not noticed the muscles in his legs when we're practicing. Seriously. I haven't. Because that would be a complete disaster and ruin everything in my entire life, and no, I'm not exaggerating). But when late night practices, pizza disasters, accidental dates, and ice cream food fights change all the rules between us, suddenly everything that matters to me is about to go into a major crash and burn.
