An ex-cop takes on the mafia in the blockbuster novel that kicks off the *Marseilles* trilogy with what “may be the most lyrical hard-boiled writing yet” (*The Nation*). In Jean-Claude Izzo’s “Mediterranean noir” mysteries, the city of *Marseilles* is explosive, breathtakingly beautiful, and deadly. *Total Chaos* introduces readers to *Fabio Montale*, a disenchanting cop who turns his back on a police force marred by corruption and racism and, in the name of friendship, takes the fight against the mafia into his own hands. *Ugo, Manu, and Fabio* grew up together on the mean streets of *Marseilles* where friendship means everything. They promised to stay true to one another and swore that nothing would break their bond. But people and circumstances change. *Ugo and Manu* have been drawn into the criminal underworld of Europe’s toughest and most violent city. When *Manu* is murdered and *Ugo* returns from abroad to avenge his friend’s death, only to be killed himself, it is left to the third in this trio, *Det. Fabio Montale*, to ensure justice is done. Despite warnings from both his colleagues in law enforcement and his acquaintances in the underworld, *Montale* cannot forget the promise he once made *Manu* and *Ugo*. He’s going to find their killer no matter the consequences. “One of the masterpieces of modern noir.” –*The Washington Post* “Like the best noir writers—and make no mistake, he is among the best—Izzo not only has a keen eye for detail . . . but also digs deep into what makes men weep.” –*Time Out New York* “The holy grail of noir fiction . . . a fast paced and stylishly told modern tragedy.” –*NB Magazine*

Fabio Montale en sait tellement sur *Marseille* qu’il sent presque battre en lui les pulsations de la ville. *Flic déclassé*, fils d’immigrés aimant les poètes, le jazz, la pêche et les femmes, il est, à l’image de cette ville tant aimée, un homme sensible dont le passé parfois douloureux resurgit au fil des enquêtes.

“Izzo digs deep into what makes men weep.” –*Time Out New York* The third and final installment in the remarkable *Marseilles* Trilogy (*Total Chaos*, *Chourmo*), *Solea* continues Jean-Claude Izzo’s distinctive brand of vibrant crime writing, skillfully evoking a time and place that has captured the hearts and imaginations of readers the world over. *Marseilles’* simmering issues of race, politics, organized crime and big business come to a rolling boil. Ex-cop, loner, would-be bon vivant, *Fabio Montale* is back and his heartfelt cry against the criminal forces devastating his beloved *Marseilles* provides the touching conclusion to a trilogy that epitomizes the aspirations and ideals of the *Mediterranean noir* movement.

Book two in the *Marseilles* trilogy “In *Marseilles*, you weren’t just from one neighborhood, one project. You were *chourmo*. In the same galley, rowing! Trying to get out. Together.” *Fabio Montale* has left a police force marred by corruption, racism and greed to follow the placid rhythms of his native town: the sea, fishing, and the local bar. But getting out is not going to be so easy. When his cousin’s son goes missing, *Montale* is dragged back into the mean streets of a violent, crime-infested *Marseilles*. To discover the truth about the boy’s disappearance, he infiltrates a dangerous underworld of mobsters, religious fanatics, crooked cops and ordinary people driven to extremes by desperation. This second novel in Izzo’s acclaimed *Marseilles* trilogy is a touching tribute to the author’s beloved city, in all its color and complexity. *Fabio Montale* is an unwitting hero in this city of melancholy beauty.

Du Panier aux quartiers nord, du Vieux Port à l’Estaque, nous suivons les pérégrinations de *Fabio Montale*, *flic déclassé* de la Brigade de surveillance des secteurs, fils d’immigrés italiens qui aime les poètes des Cahiers du Sud, la pêche, la soupe au pistou de la vieille *Honorine*, les bouteilles de *Lagavulin*, les femmes et *Marseille* bien sûr. Il y a vingt ans, il y avait *Lole*, la belle *Gitane*, et, autour d’elle, *Manu*, *Ugo*, et *Fabio*. À présent ses deux putes de braquage sont morts d’une balle dans la peau : une pour *Manu*, puis une pour *Ugo* venu le venger... L’enquête de *Fabio* le plonge dans son passé trouble et les plaies à refermer se multiplient. D’autant qu’une de ses amies se fait violer et assassiner. Dur ! *Total Khéops* comme le chante le groupe *IAM*. Autrement dit, bordel généralisé, fange pestilentielle dont on ne sort pas.

Rico has been banished to society's margins; he has neither a roof over his head nor a steady income on which to depend. When a friend and fellow clochard dies of exposure after a night spent in the Paris metro, *Rico* decides to flee the northern cold for his beloved south, for *Marseilles* and the *Mediterranean*. From the celebrated author of the *Marseilles* Trilogy, this is both an affecting on-the-road novel and a tender exploration of love's power both to heal and to destroy.

In *Experiments with Empire* Justin Izzo examines how twentieth-century writers, artists, and anthropologists from France, West Africa, and the Caribbean experimented with ethnography and fiction in order to explore new ways of knowing the colonial and postcolonial world. Focusing on novels, films, and ethnographies that combine fictive elements and anthropological methods and modes of thought, Izzo shows how empire gives ethnographic fictions the raw materials for thinking beyond empire's political and epistemological boundaries. In works by French surrealist writer Michel Leiris and filmmaker Jean Rouch, Malian writer Amadou Hampâté Bâ, Martinican author Patrick Chamoiseau, and others, anthropology no longer functions on behalf of imperialism as a way to understand and administer colonized peoples; its relationship with imperialism gives writers and artists the opportunity for textual experimentation and political provocation. It also, Izzo contends, helps readers to better make sense of the complicated legacy of imperialism and to imagine new democratic futures.

"Evocative . . . A paean to the life, cities and food of the Mediterranean . . . His essays . . . reveal a man of deep feeling and humanity" (*The Guardian*). A short sublime book on the three things dearest to Jean-Claude Izzo's heart: his native *Marseilles*, the sea in all its splendor, and *Mediterranean noir*--the literary genre his books helped to found. This collection of writings shows Izzo, author of the acclaimed *Marseilles* trilogy, at his most contemplative and insightful. His native city, with its food, its flavors, its passionate inhabitants, and its long, long history of commerce and conviviality, constitute the lifeblood that runs through all of Izzo's work. Reminiscent of Henry Miller's *The Colossus of Maroussi* and the lyrical essays of Antoine de Saint-Exupéry and Albert Camus, as uplifting and touching as Daniel Klein's *Travels with Epicurus*, this slender volume will appeal equally to gourmets who delight in the strong flavors of *Mediterranean cuisine*, to those travelling on the Riviera (or arm-chair travelers who wish they could), and, naturally, to aficionados of noir fiction. Praise for Jean-Claude Izzo "Mr. Izzo was a marvelous food writer . . . His books are filled with winning descriptions of Provençal meals run through with the flavors of north Africa, Italy, Greece."--*The New York Times* "Just as Raymond Chandler and James Ellroy made Los Angeles their very own, so Mr. Izzo has made *Marseilles* so much more than just another geographical setting."--*The Economist* "In Izzo's books . . . *Marseilles* is a 'ville selon nos coeurs,' a city in tune with our heart . . . A cosmopolitan, maritime city, greedy, sensual and warm."--*Slow Food*

Jean-Claude Izzo est un Marseillais et "Total Khéops" est avant tout un roman sur Marseille. A travers le destin de deux voyous amoureux d'une même femme, l'auteur fait le portrait d'une ville qui change vite mais qui lutte pour ne pas se faire engloutir par son image.

Fabio Montale, acculé à la démission parce qu'il s'occupait trop bien de sa mission dans les quartiers nord, reprend du service pour se lancer à la recherche de deux adolescents disparus la veille de la rentrée des classes. Trop sensible, trop lucide, il est confronté à la montée des " agitateurs de crécelles sécuritaires ", du chômage, de la drogue et des intégrismes de tous ordres. " *Chourmo* ", c'est l'esprit de la chiourme, des anciens galériens. Par extension, c'est un état d'esprit qui pousse à aller vers les autres, esprit dont *Fabio Montale* se fait le juste représentant. À *Marseille*, les galères - entre le F.N., les extrémistes islamistes et la Mafia - on a l'air de bien connaître. *Chourmo*, deuxième volet de la trilogie marseillaise de Jean-Claude Izzo, est dédié " à la mémoire d'Ibrahim Ali, abattu le 24 février 1995 dans les quartiers nord de Marseille, par des colleurs d'affiches du Front national ".
