Reading comprehension gets easier as students learn what kind of reader they are, discover how to keep facts in their head, and much more. Titles in Barron's extensive Painless Series cover a wide range of subjects, as they are taught at middle school and high school levels. Perfect for supporting Common Core Standards, these books are written for students who find the subjects somewhat confusing, or just need a little extra help.

Most of these books take a lighthearted, humorous approach to their subjects, and offer fun exercises including puzzles, games, and challenging "Brain Tickler" problems to solve. Bonus Online Component: includes additional games to challenge students, including Beat the Clock, a line match game, and a word scramble.

"Easy to use and easy to afford, The Little Seagull Handbook is the #1 brief handbook because students say it has a positive impact on their writing. Intuitive organization, color-coding, and jargon-free instruction for common kinds of writing make it a reference tool that student writers truly use. This edition includes new advice for conducting research as it's done online today, new student model essays, and a new chapter on writing summary/response essays"--

"LB Brief is designed around the assumption that reading and writing are deeply intertwined, and that addressing student challenges with reading can directly improve their writing. Whether they are writing short response papers, discussing a reading in an online forum, or writing a formal research paper, students need strategies and skills for reading to learn, writing to learn, and ways to connect their reading to their writing"--
