A message to all Human Beings regarding love,regarding affection and devotion.

Hashiyon Se Pa re (Beyond the Margins) is a collection of poems about people and emotions that exist on the margins of our society and our consciousness. Ever present, but not always visible, these poems evoke them and remind us of eternal values that bind – respecting opinions, celebrating diversity, challenging prevailing views and reflecting on life. Living in the midst of social, political and economic changes and challenges that will shape India for the rest of the century, the poems reflect the convulsions around us. Alternating between the eternal themes of hope, love and nature, Hashiyon Se Pa re does not flinch in taking a hard look at social inequalities, biases and prejudices that are inherent in human nature. Hashiyon Se Pa re, therefore, talks to and about those margins of the society that are trying to fit in. It yearns to create a space safe enough for all – where dissent is as much celebrated as is iconoclasm; as established mores are challenged and diversity welcomed; as a space where we simply, value the questions more than the answers.

Devdas is the title of a 1920s novella by the farmed Bengali writer saratchandra chatterjee. It became so popular that 15 film versions were made in various Indian Languages and periods. Bimal Roy's 1955 film is considered the finest as it sensitively tells the tragic love story between Devdas (Dilip Kumar), the son of Brahmin landlord Aand Parvati (suchita sen) his childhood sweetheart. Caste and class difference keep the lovers apart. Parvati is married of to a rich older man and devdas, who allows Chandramukhi (Vijayanthimala), a selfless prostitute, to help him at first, but ultimately finding no meaning to life, he takes to drink. The Dialogue of Devdas will be presented in a four language format: Hindi, Urdu, Romanised Hindi, Urdu and English translation. Forewords by Bimal Roy's Family and extensive commentary are also featured.
