1994-2006: Mitsubishi Delica Space Gear L400. In 1994, the Delica was redesigned again. Gone was the mid-engine configuration. The powerplant was moved forward in front of the driver/passenger and placed under a traditional hood. The van got a much rounder look and a revised unibody chassis. It maintained the solid rear axle but employed coil springs instead of leaf springs. The front ...

Although the subsequent L400 Delica and Delica Space Gear were introduced in 1994, production of the Delica Starwagon continued for the Japanese market until 1998. The L300/Delica van versions also remained in production for export markets. These export markets received a facelift in 1999, released in September of that year in Australia. In Japan the commercial Delica range was replaced by a ...

1994 Mitsubishi Delica Space Gear | Duncan Imports The 4 th -gen (1994-2007) Mitsubishi Delica, the L400, has only just begun to be imported into the US. Elsewhere, however, the L400 has also become a popular overlanding vehicle. It doesn't have the L300's angular styling, and it no longer uses a Pajero-based separate chassis.

A photography book celebrating the nomadic lifestyle and community of vanlife through interviews, essential advice for living on the road, and more than 200 photos of tiny rolling homes. Inspired by the blog and Instagram account, Vanlife Diaries is an inspiring and detailed look into the world of the rolling homes built and occupied by a new generation of modern nomads: a range of professionals and creatives who have ditched conventional houses for the freedom of the road and the beauty of the outdoors. More than 200 photographs feature the vanlifers, their pets, and their converted vans and buses--VWs, Sprinters, Toyotas, and more--with the interiors uniquely customized and decorated for their work and hobbies, as well as the stunning natural locations that are the movement's inspiration. Interviews and narrative captions share the stories of these nomads and how they decided to pursue vanlife, and provide practical tips and inspiration for downsizing, finding and converting your vehicle, and working and living on the road.

Krause Publications' Standard Catalog series is available by specific marque, in individual volumes or a set. Each book contains in-depth profiles of specific makes by model, factory photos, and up-to-date vehicle pricing. The 1-to-conditional pricing system assures readers of accurate values, whether a vehicle is a #1 low-mileage, rust-free beauty or a #6 parts-only heap. "Techs & specs", original factory prices, production and serial numbers, and engine/chassis codes are noted by model, thus helping you determine authenticity accuracy. Historical, technical and pricing information are combined from hundreds of sources. James Flammang values each model according to the popular 1-6 grading system invented by Old Cars magazine.

A research bulletin examining the Japanese automotive industry's impact worldwide.

A handy, straightforward guide that teaches students how to acquire marketable job skills and real-world know-how before they graduate--revised and updated for today's economic and academic landscapes. Award-winning college professor and adviser Bill Coplin lays down the essential skills students need to survive and succeed in today's job market, based on his extensive interviews with employers, recruiters, HR specialists, and employed college grads. Going beyond test scores and GPAs, Coplin teaches students how to maximize their college experience by focusing on ten crucial skill groups: Work Ethic, Physical Performance, Speaking, Writing, Teamwork, Influencing People, Research, Number Crunching, Critical Thinking, and Problem Solving. 10 Things Employers Want You to Learn in College gives students the tools they need to prepare during their undergraduate years to impress potential employers, land a higher-paying job, and start on the road to career security and satisfaction.

The definitive international history of one of the world's most successful rally cars. Covers every Lancer model - including all special editions, and Dodge, Colt, Plymouth, Valiant, Eagle, Proton and Hyundai variants - from 1973 to date. Includes a Foreword by Shinichi Kurihara, Mitsubishi's Evo team leader.

Includes advertising matter .

The definitive guide for anyone dreaming of a move to paradise. Whether motivated by a desire for adventure, or the need to make the most of a diminished nest egg, more and more Americans are considering an overseas retirement. Drawing on her more than three decades of experience helping people relocate happily and successfully, Kathleen Peddicord shows how living in an unconventional retirement destination can cost less than a traditional home in Florida or Arizona. Peddicord addresses all of the essential issues, including: ? Death ? Taxes ? Health Care ? Bank Accounts Whether readers are interested in relatively unknown havens like Nicaragua, well-traveled areas in Italy, or need some help deciding, How to Retire Overseas is the ultimate guide to making retirement dreams come true.

"If You Touch Them They Vanish" by Gouverneur Morris. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre.
