Mr. Basketball: George Mikan, the Minneapolis Lakers, and ...

Nicknamed Mr. Basketball, from the moment he entered the league Mikan was the star man for Minneapolis, averaging 28.3 points per game in his rookie season. His size helped this, of course, standing at 6-foot-10 and weighing 245 lbs. He is fondly remembered as one of the games first 'giants'.

The Greatest Lakers of All-Time: George Mikan – Lakers UK

The first dominant big man in professional basketball, George Mikan played with a competitive fire matched by few. Playing under Hall of Fame coach Ray Meyer at DePaul University, the 6-foot-10-inch Mikan along with fellow Hall of Famer Bob Kurland, swatted away so many shots that in 1944 the NCAA introduced a rule that prohibited goaltending.

George Mikan - Naismith Memorial Basketball Hall of Fame

Mr. Basketball: George Mikan, the Minneapolis Lakers, and the Birth of the NBA. The definitive biography of the first dominant big man in professional basketball, published on the sixtieth anniversary of his debut with the Minneapolis Lakers. Before Shaquille O'Neal and before Bill Russell, there was George Mikan, a six-foot-ten, 240-pound center, whose quiet demeanor and bespectacled face belied his competitive fire.

who at times seemed to carry an entire team—and the NBA—on his shoulders.

Mr. Basketball — University of Minnesota Press

Matt Daniel is one of the winners of the Mr. Basketball of Arkansas and he had a famous reputation for being an elite player in his school. However, he didn't get drafted to the NBA, so he became undrafted and is unable to make the draft. Afterwards, he decided to coach the Marshall women's basketball team.

Mr. Basketball of Arkansas - Wikipedia

George Mikan had a big part in the initial growth of the NBA. Pun intended. Mikan was an early superstar of the league, and he showed everyone how it should be done in a lot of areas. That makes Michael Schumacher's book on Mikan's career, "Mr. Basketball," relevant to hoop fans.

Mr. Basketball: George Mikan, the Minneapolis Lakers, and ...

About Mr. Basketball. Before Shaquille O'Neal and before Bill Russell, there was George Mikan, a six-foot-ten, 240-pound center, whose quiet demeanor and bespectacled face belied his competitive fire. A four-time All-American at DePaul and a six-time professional champion, Mikan was such an unstoppable force-and a national sensation-that, when his Minneapolis Lakers played the New York Knickerbockers in 1949, the marquee outside Madison Square Garden read simply, "George Mikan vs. Knicks."

Before Shaquille O'Neal and before Bill Russell, there was George Mikan, a six-foot-ten, 240-pound center, whose quiet demeanor and bespectacled face belied his competitive fire. A four-time All-American at DePaul and a six-time professional champion, Mikan was such an unstoppable force-and a national sensation-that, when his Minneapolis Lakers played the New York Knickerbockers in 1949, the marquee outside Madison Square Garden read simply, "George Mikan vs. Knicks." Drawing on extensive interviews-with former teammates, opponents, coaches, friends, and rivals-critically acclaimed author Michael Schumacher presents, for the first time, a wonderfully nuanced portrait of one of the most unheralded athletes of our time, and a fascinating look at the birth of the National Basketball Association. REVIEWS: "Schumacher (Family Business) explores the on-court life and legacy of George Mikan, the big man who revolutionized both college and professional basketball as a dominant center in the '40s and '50s and as the American Basketball Association's first commissioner in the 1960s. Several rules in the modern game were enacted to offset 6'10" Mikan's uncommon height advantage at the time: his shot-blocking ability for DePaul University led to the goaltending rule in college basketball in 1943, and his rebounding and scoring for the Minneapolis Lakers prompted the nascent NBA to widen the free-throw lane from six feet to 12 feet in 1951. Wilt Chamberlain described Mikan as the "first true superstar of the league," and Shaquille O'Neal, who paid for Mikan's funeral when he died in 2005 in dire financial straits due to the expenses of his health problems, said, "Without George Mikan, there is no me." A native of Joliet, Ill., Mikan was from a Croatian family and remained a true Midwesterner to the end, Schumacher writes. Schumacher's narrative sometimes gets bogged down with tedious, almost box score-like itemizing of the numerous games from Mikan

As center for the Minneapolis Lakers, Mikan led his team to a total of six professional titles in seven years and a place in history as the fledgling NBA's first dynasty. Mikan played during the 1940's and 1950's.

Promotional comic book from Pure Oil dealers telling the story of Minneapolis Lakers basketball player George Mikan. Also includes referee signals and illustrated basketball pointers.

The author uses stats, facts, and anecdotes to challenge the NBA official list of the top fifty players in the game, entering the fray armed with good information designed to challenge sacrosanct notions, for example, that Michael Jordan is the top player of all time. Original.

Drawing on interviews with former teammates, opponents, coaches, friends, and rivals, a definitive portrait of the first dominant big man in professional basketball celebrates the sixtieth anniversary of George Mikan's debut with the Lakers, chronicling his college and professional career and critically assessing his key influence on the evolution of the modern NBA. Reprint.

An opinionated tour of the past, present, and future of pro basketball, written by ESPN's "Sports Guy" columnist, shares insights on everything from major NBA events and underrated players to how Hall of Famers should be selected.

The disappearance of the Edmund Fitzgerald remains one of the great unsolved mysteries in maritime history. Michael Schumacher relays in vivid detail the story of the Edmund Fitzgerald, its many productive years on the waters of the Great Lakes, its tragic demise, the search effort and investigation, as well as the speculation and the controversy that followed in the wake of the disaster. Michael Schumacher is the author of six books. He has written 25 documentaries on Great Lakes shipwrecks, including three about the Edmund Fitzgerald. "In his ballad, Mr. Lightfoot sang about the Fitz's final tense moments, when "the waves turn minutes to hours: Now the hours have lengthened into years and years into decades-but the allure of this doomed ship and its missing men remains as strong as ever."-Wall Street Journal

If not for the botched Bay of Pigs invasion, Minnesota might never have known one of its most popular baseball players, Twins three-time batting champion and eight-time All-Star Tony Oliva. In April 1961, the twenty-two-year-old Cuban prospect failed to impress the Twins in a tryout, but the sudden rupture in U.S. – Cuba relations made a return visa all but impossible. The story of how Oliva ' s unexpected stay led to a second chance and success with the Twins—as well as decades of personal and cultural isolation—is told for the first time in this full-scale biography of the man the fans affectionately call “ Tony O. ” With unprecedented access to the very private Oliva, baseball writer Thom Henninger captures what life was like for the Cuban newcomer as he adjusted to major league play and American culture—and at the same time managed to earn Rookie of the Year honors and win the American League batting title in his first two seasons, all while playing with a knuckle injury. Packed with never-before-published photographs, the book follows Oliva through the 1965 season, all the way to the World Series, and then, with repaired knuckle and knee, into one of the most dramatic pennant races in baseball history in 1967. Through the voices of Oliva, his family, and his teammates—including the Cuban players who shared his cultural challenges and the future Hall of Famers he mentored, Rod Carew and Kirby Puckett—the personal and professional highs and lows of the years come alive: the Gold Glove Award in 1966, a third batting title in 1971, the devastating injury that curtailed his career, and, through it all, the struggle to build a family and recover the large and close-knit one he had left behind in Cuba. Nearly forty years after Oliva ' s retirement, the debate continues over whether his injury-shortened career was Hall of Fame caliber—a question that gets a measured and resounding answer here.

Two-time New York City police commissioner Ray Kelly opens up about his remarkable life, taking us inside fifty years of law enforcement leadership, offering chilling stories of terrorist plots after 9/11, and sharing his candid insights into the challenges and controversies cops face today. The son of a milkman and a Macy's dressing room checker, Ray Kelly grew up on New York City's Upper West Side, a middle-class neighborhood where Irish and Puerto Rican kids played stickball and tussled in the streets. He entered the police academy and served as a marine in Vietnam, living and fighting by the values that would carry him through a half century of leadership-justice, decisiveness, integrity, courage, and loyalty. Kelly soared through the NYPD ranks in decades marked by poverty, drugs, civil unrest, and a murder rate that, at its peak, spiked to over two thousand per year. Kelly came to be known as a tough leader, a fixer who could go into a troubled precinct and clean it up. That reputation catapulted him into his first stint as commissioner, under Mayor David Dinkins, where Kelly oversaw the police response to the 1993 World Trade Center bombing and spearheaded programs that would help usher in the city's historic drop in crime. Eight years later, in the chaotic wake of the 9/11 attacks, newly elected mayor Michael Bloomberg tapped Kelly to be NYC's top cop once again. After a decade working with Interpol, serving as undersecretary of the Treasury for enforcement, overseeing U.S. Customs, and commanding an international police force in Haiti, Kelly understood that New York's security was synonymous with our national security. Believing that the city could not afford to rely solely on "the feds," he succeeded in transforming the NYPD from a traditional police department into a resource-rich counterterrorism-and-intelligence force. In this vital memoir, Kelly reveals the inside stories of his life in the hot seat of "the capital of the world"-from the terror plots that nearly brought a city to its knees to his dealings with politicians, including Presidents Bill Clinton, George W. Bush, and Barack Obama as well as Mayors Rudolph Giuliani, Bloomberg, and Bill DeBlasio. He addresses criticisms and controversies like the so-called stop-question-and-frisk program and the rebuilding of the World Trade Center and offers his insights into the challenges that have recently consumed our nation's police forces, even as the need for vigilance remains as acute as ever.
