Elwyn Tate's "My T-Rex Has A Toothache" is one of my grandson's favorite books – and for good reason. It is a delightful poem, detailing a most unusual problem of a boy's T-Rex having a toothache. Ingenuity eventually helps the boy and his dinosaur solve the dilemma – only to have the youngster's Pteranodon experience a problem.

Tyrannosaurus is a genus of coelurosaurian theropod dinosaur. The species Tyrannosaurus rex (rex meaning "king" in Latin), often called T. rex or colloquially T-Rex, is one of the most well-represented of the large theropods. Tyrannosaurus lived throughout what is now western North America, on what was then an island continent known as Laramidia. Tyrannosaurus had a much wider range than other ...

We know T. rex actively hunted at least some of the time. There is an embedded T. rex tooth surrounded by healed bone in one specimen of a duckbill, indicating it survived an attack.

There is also another duckbill specimen with healed T. rex bite marks and even a healed patch of skin.

When a mysterious carnival arrives in a small town, three boys discover that a rare miniature dinosaur from the carnival has followed them home. The boys realize the dinosaur might be stolen, and that it has special abilities. When they try to hide it, and keep it as a pet a dangerous one-eyed murderer called the "Pirate" from the carnival comes looking for it. The brothers, their friend, and their sister must find a way to get the dinosaur safely away from the Pirate before they all are hurt or worse.

Find out how to babysit a dinosaur in this very funny read-aloud picture book. There are a few important things to know about your pet T-Rex: What does it like to eat? Your T-Rex will eat approximately 300 pounds of food each day. Where will it have space to exercise? Your T-Rex can cover fifteen feet in a single step. How do you brush its many teeth? Especially when those teeth are nine inches long. And, most of all, how do you show your T-Rex that you love it? Get ready for a day full of giant adventures in dinosaur care! A Christy Ottaviano Book

Here is an epistolary picture book with a T. rex in a role similar to that of the mouse in *If You Give a Mouse a Cookie*. A little girl is turning six in two weeks, and she's decided to invite a *Tyrannosaurus rex* to her birthday party! Her invitation entices the huge carnivore with promises of fun games to play, the extra-large cake her mother will bake, the goody bag he will get to take home, and, most important of all, how she will be the happiest girl in the world if he comes. But will he? Lisa McClatchy's sweet, persuasive text is perfectly complemented by John Manders's endearing *Tyrannosaurus rex*, who can't quite fit under the birthday-party tent or blow out the candles without making a huge mess but is sure to make this birthday party—and this book—unforgettable!

This T-Rex is a fearsome carnivore until he gets a terrible pain in his tooth. What can he do? A passing *brontosaurus* comes to his rescue. But when the terrible tooth finally comes out, is it time for all the other dinosaurs to run?

The adorable and indomitable Tiny T. Rex from the critically acclaimed *Tiny T. Rex and The Impossible Hug* is back in a tale about friendship and overcoming your fears. Tiny T. Rex and his friend Pointy are having a campout in the backyard! It is what best friends do. But without their nighty-lights, the dark outside suddenly seems VERY dark . . . and very full of spooky things. Good thing Tiny has a super-secret plan to keep the dark at bay! Full of warmth and plenty of laughs, this new adventure starring Tiny T. Rex shows that friends will always find a way to face their fears together—even when those fears are not what they seem! • A great read-aloud book for parents and children • Hip, colorful art and delightful text make Tiny T. Rex an instant favorite of any dinosaur-loving toddler. • A perfect book to help toddlers and children overcome a fear of the dark Fans of silly picture books like *Dinosaur vs Bedtime*, *We Don't Eat Our Classmates*, and *Llama Destroys the World* will love the sweet spirit and continuing adventures of Tiny T. Rex. Meet Tiny T-Rex! He may be a small dino in a BIG world, but that won't stop him from making friends, conquering his fears, and stomping his way into your heart. • Read-aloud books for ages 3–5 • Dinosaur picture books for kids • Friendship books for toddlers

Mike ran into his room and tripped, He bounced in the air, hopped and skipped, Crashing to the bedroom floor, He shouted out, "T-Rex, no more!"
