DIV This book tells the history of the French Renaissance through the lives of its most prominent queens and mistresses, beginning with Agnès Sorel, the first officially recognized royal mistress in 1444; including Anne of Brittany, Catherine de Medici, Anne Pisseleu, Diane de Poitiers, and Marguerite de Valois, among others; and concluding with Gabrielle d ' Estrées, Henry IV ' s powerful mistress during the 1590s. Wellman shows that women in both roles—queen and mistress—enjoyed great influence over French politics and culture, not to mention over the powerful men with whom they were involved. The book also addresses the enduring mythology surrounding these women, relating captivating tales that uncover much about Renaissance modes of argument, symbols, and values, as well as our own modern preoccupations. /div

An Elizabethan expert describes the court of Queen Elizabeth I, painting a vivid picture of the gossip, conspiracy, intrigue and romantic dalliances that surrounded the monarch and the daily lives of the women that attended her. 20,000 first printing.

The Academy is a prestigious international institution for the study and teaching of Public and Private International Law and related subjects. The work of the Hague Academy receives the support and recognition of the UN. Its purpose is to encourage a thorough and impartial examination of the problems arising from international relations in the field of law. The courses deal with the theoretical and practical aspects of the subject, including legislation and case law. All courses at the Academy are, in principle, published in the language in which they were delivered in the "Collected Courses of the Hague Academy of International Law .
