Updated in a new 7th edition, The New American Democracy offers a stimulating, analytical approach to American government and a unique perspective on contemporary politics with an emphasis on elections and their importance in the American political system. The authors -- among the most well-known and well-respected scholars working in political science today --propose in their text that politicians today are perpetually engaged in the election process—a "permanent campaign"—which has profoundly affected how our government functions today.

American Politics is at a crossroads as technologies have impacted political processes and citizen participation. American Democracy Now meets students where they are through the author's unique Then/Now/Next paradigm, showing students how today is relevant to the past, and incites their thinking of the future developing key critical thinking skills. It's forward-looking vision, built on traditional concepts, puts students at the center of American Politics featuring a unique chapter on Politics & Technology, an important tool for citizen engagement of today, and examines technology & its impact on the political process and participation. It is the only text to feature an annotated constitution—strengthening the competence of tomorrow's political thinkers, while lends coverage to important teachable movements in these politically volatile times. Improve Student Outcomes—Connect American Government features high-quality curated application-based activities and instructor resources all in one place—saving time for development of a high-quality course for delivery. Instructors are given greater flexibility and control through auto-graded assignments and quizzes. Robust analytics award actionable insights to know which students need more guidance or which topics should be reviewed again during lecture to improv4e student outcomes and course goals. Enhance your Teaching—The authors methodically revised the text while develop instructor supplements to accommodate this new paradigm of teaching. This edition features high-quality content backed by advanced technology and learning science for you to achieve the highest outcomes for your course. Accessible to All—This text has moved toward tighter compliance with the Web Content Accessibility Guidelines and provides students the opportunity to learn regardless of learning style or disability.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that youselect the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition,you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Updated in a new 7th edition, The New American Democracy offers a stimulating, analytical approach to American government and a unique perspective on contemporary politics with an emphasis on elections and their importance in the American political system. The authors -- among the most well-known and well-respected scholars working in political science today --propose in their text that politicians today are perpetually engaged in the election process—a "permanent campaign"—which has profoundly affected how our government functions today.

This edition features the exact same content as the traditional text in a convenient, three-hole- punched, loose-leaf version. Books à la Carte also offer a great value for your students—this format costs significantly less than a new textbook. Updated in a new 7th edition, The New American Democracy offers a stimulating, analytical approach to American government and a unique perspective on contemporary politics with an emphasis on elections and their importance in the American political system. The authors -- among the most well-known and well-respected scholars working in political science today --propose in their text that politicians today are perpetually engaged in the election process—a "permanent campaign"—which has profoundly affected how our government functions today.

Increase student performance, student engagement, and critical analysis skills with the third edition of American Democracy Now. This program is available with GiA, an educational game in which students learn American Government by doing, as well as McGraw-Hill's LearnSmart, an adaptive questioning tool proven to increase content comprehension and improve student results. Unique to this program, American Democracy Now 3e is a student-centered text focused on student performance. This contemporary approach and design, coupled with market-leading digital products, make this an ideal solution to course goals.

With the economic crisis, intense partisan gridlock, and social movements like the Tea Party and Occupy Wall Street, American Democracy in Peril encapsulates the tumultuous state of American politics more than ever. Hudson's provocative book offers a structured yet critical look at the functioning of the American political system. This new edition incorporates the far-ranging impact of the Obama presidency - and the polarization that has accompanied it - along with these key updates: New discussion of the barriers of the separation of powers system, including the tortured politics of health care reform, the threats of government shutdown over deficit reform, and the use of institutional vetoes to prevent economic stimulus measures New developments from the last election cycles, including changes in party politics, campaign funding, campaign media technologies and social media, and efforts at voter suppression Fresh examination of the financial deregulation that led to the crisis, the massive financial bailout, and rising economic inequality New insight regarding Obama's continuity with Bush-era national security practices from the use of secrecy to centralized executive control of policy.
