When David Shannon was five years old, he wrote and illustrated his first book. On every page were these words: NO, DAVID! . . . and a picture of David doing things he was not supposed to do. Now David is all grown up. But some things never change. . . . Over fifteen years after its initial publication, NO, DAVID! remains a perennial household favorite, delighting children, parents, and teachers alike. David is a beloved character, whose unabashed good humor, mischievous smile, and laughter-inducing antics underline the love parents have for their children--even when they misbehave.

In an autobiographical picture book by the creator of A Bad Case of Stripes, a mischievous boy is depicted doing a variety of naughty things for which he is repeatedly admonished, but finally he gets a hug.

"When David gets in trouble, he always says . . . 'NO! It's not my fault! I didn't mean to! It was an accident!'" Whatever the situation, David's got a good excuse. And no matter what he's done "wrong," it's never really his fault. Soon, though, David realizes that making excuses makes him feel bad, and saying he's sorry makes him feel better. Once again, David Shannon entertains us with young David's mischievous antics and a lighthearted story that's sure to leave kids (and parents) laughing.

Readers of all ages will vividly remember trying to peek at hidden gift packages; writing scrolls of wish lists to Santa; and struggling to behave at formal Christmas dinner parties. Always in the background, we know Santa Claus is watching, soon to decide if David deserves a shiny new fire truck or a lump of coal under the tree. From playing with delicate ornaments to standing in an endlessly long line for Santa, here are common Christmas activities--but with David's naughty trimmings. A surefire hit that is destined to be an annual classic.

David's teacher has her hands full. From running in the halls to chewing gum in class, David's high-energy antics fill each schoolday with trouble--and are sure to bring a smile to even the best-behaved reader.

Laugh-aloud humor abounds when David can't resist bugging his big brother. In this funny romp, David careens from one mischievous antic to the next... until he finally wins his brother's approval.

Even as a toddler, David was a challenge to his parents.

Introduces preschoolers to the concept of the five senses as Baby David begins to explore the world around him by banging on drums, smelling strange scents, and petting the dog in order to experience things in his own special way.

Follow Fergus as he experiences the perfect doggy day--well, except for his bath, of course! From chasing cats and motorcycles to being scratched on his favorite "tickle spot," David Shannon's newest sweet and silly character will inspire young readers to laugh out loud at his mischievous antics. Fans of Shannon's previous books will love reading all about this naughty but lovable dog!
