Fire and ice. Oil and water. Vodka and decisions. That's what Darren McCoy and Wren Davison are: two opposites that shouldn't mix well. Dare believes in fairy tales, true love, and happily ever after. Wren believes in fast cars, freedom, and no-strings sex. What can these two men possibly have in common? A magnetic pull strong enough to obliterate logic and reason. For more than a year, Dare and Wren have worked together at the Curl Up and Dye Salon. Dare has pursued the mysterious, brooding man, and Wren has resisted his provocative charm.

Blissville? Then one day, something happens that allows the men to see each other in a new light. Wren learns that Dare hides a heavy heart behind his brilliant smile. Dare realizes that beneath Wren's gruff exterior beats the heart of a prince. Passions ignite once the men stop fighting their attraction, but will it be enough to overcome their differences? Is Wren the prince that Dare is looking for? Can Dare teach Wren that true love does exist? Nobody's Prince charming is a modern-day fairy tale where some princes ride Harleys, and castle walls are built to scale. It is the third book in the Road to Blissville series but can be read as a standalone book. This book contains sexually explicit material and is intended for adults eighteen and over.

The Roman, Byzantine and Ottoman Empires, foreign invasion, communism and tribal conflict: these have been the realities of life in Northern Albania for centuries. In this rich and comprehensive history, Tom Winnifrith examines the many different elements that have shaped this independent and little-known region of the Balkans. He explores the fundamental division between the South of Albania and its mysterious, romantic North - more feudal, more tribal, more Catholic and more prone to Austrian and Italian influence. It is also a region less affected by Greece, both ancient and modern, and by medieval Byzantium or the Orthodox faith. Northern Albania, with a terrain and climate much harsher than the south of the country, has traditionally had little respect for law and authority

while its inhabitants remain in thrall to an ancient honour code -- the kanun -- demanding blood feuds and terrible revenge. Nobody's Kingdom traces the history of this ruggedly beautiful region, frequently disturbed by both invaders and internal strife yet retaining a distinct national identity and character. From its origins in the ancient kingdom of Illyria and the Roman province of Illyricum, through Byzantine and Ottoman rule, the granting of Albanian independence in 1912, the rise and fall of communism to its current fragile democracy, Northern Albania can be seen as a cultural crossroads - especially remarkable given its mountainous and difficult landscape. This book, both scholarly and readable, is the first modern comprehensive history of Northern
