Most of us have done things in our lives that we're ashamed of. Some are small things, and some are devastating things. But no matter what we've done or how other people respond, it doesn't change how God feels about us. Nothing can ever change his unconditional love for us.

NOOMA is a new format for spiritual direction. It's short films touching on issues that we care about, that we want to talk about, and it comes in a way that fits our world. It's a format that's there for us when we need it, as we need it, how we need it. Audio: English. Subtitles: English, French, German, Korean, Mandarin, Portuguese, Spanish.

Instant New York Times Bestseller Rob Bell, the beloved author of *Love Wins* and *What We Talk About When We Talk About God*, goes deep into the Bible to show how it is more

revelatory, revolutionary, and relevant than we ever imagined—and offers a cogent argument for why we need to look at it in a fresh, new way. In *Love Wins*, Rob Bell confronted the troubling questions that many people of faith were afraid to ask about heaven, hell, fate, and faith. Using the same inspired, inquisitive approach, he now turns to our most sacred book, the Bible. *What Is the Bible?* provides insights and answers that make clear why the Bible is so revered and what makes it truly inspiring and essential to our lives. Rob takes us deep into actual passages to reveal the humanity behind the Scriptures. You cannot get to the holy without going through the human, Rob tells us. When considering a passage, we shouldn't ask "Why did God say . . .?" To get to the heart of the Bible's meaning, we should be asking: "What's the story that's unfolding here and why did people find it important to tell it? What was it that moved them to record these words? What was happening in the world at that time? What does this passage/story/poem/verse/book tell us about how people understood who they were and who God was at that time?" In asking these questions, Rob goes beyond the one-dimensional question of "is it true?" to reveal the Bible's authentic transformative power. Rob addresses the concerns of all those who see the Bible as God's Word but are troubled by the ethical dilemmas, errors, and inconsistencies in Scripture. With *What Is the Bible?*, he recaptures the Good Book's magic and reaffirms its power and inspiration to shape and inspire our lives today.

Millions of Christians have struggled with how to reconcile God's love and God's judgment: Has God created billions of people over thousands of years only to select a few to go to heaven and everyone else to suffer forever in hell? Is this acceptable to God? How is this

"good news"? Troubling questions—so troubling that many have lost their faith because of them. Others only whisper the questions to themselves, fearing or being taught that they might lose their faith and their church if they ask them out loud. But what if these questions trouble us for good reason? What if the story of heaven and hell we have been taught is not, in fact, what the Bible teaches? What if what Jesus meant by heaven, hell, and salvation are very different from how we have come to understand them? What if it is God who wants us to face these questions? Author, pastor, and innovative teacher Rob Bell presents a deeply biblical vision for rediscovering a richer, grander, truer, and more spiritually satisfying way of understanding heaven, hell, God, Jesus, salvation, and repentance. The result is the discovery that the "good news" is much, much better than we ever imagined. Love wins.

If God were throwing a party, would everyone be invited? Or does God invite some and not others? And if so, how does God decide? Is it what you say? Is it what you do? Is it what you're going to do? Is it who your friends are? Or what your friends do? Or what religion you happened to be born into? Or where you live, or what you look like, or what you believe? What if the idea of heaven and hell that we have been taught is not, in fact, what the Bible teaches? What if Jesus meant something very different by the concepts of heaven, hell, and salvation from how we've come to understand them? And what if the answer to life's meaning is much better than we ever imagined? In his teen edition of the bestselling book *Love Wins*, Rob Bell tackles all these questions in a way that addresses the real challenges of growing up in today's world. This is not just a book of questions and this is not just a book of answers. This is a book of exploration. This is a book of discovery. This is a book about why love wins.

For anyone who wants to delve deeper into Rob Bell's bestselling *Love Wins*, the expansive and accessible *Love Wins Companion* offers scholarly support and critiques, resources for individuals, groups, and classes, and brand new material by Rob Bell himself.

Turning to the Gospels, James Bryan Smith invites you to compare your ideas about God with what Jesus himself reveals about his Father. Smith leads you through a process of spiritual formation that includes specific activities aimed at making these new narratives real in your body and soul as well as your mind.

How God is described today strikes many as mean, primitive, backward, illogical, tribal, and at odds with the frontiers of science. At the same time, many intuitively feel a sense of reverence and awe in the world. Can we find a new way to talk about God? Pastor and New York Times bestselling author Rob Bell does here for God what he did for heaven and hell in *Love Wins*: he shows how traditional ideas have grown stale and dysfunctional and reveals a new path for how to return vitality and vibrancy to how we understand God. Bell reveals how we got stuck, why culture resists certain ways of talking about God, and how we can reconnect with the God who is with us, for us, and ahead of us, pulling us forward into a better future—and ready to help us live life to the fullest.

There is a church not too far from us that recently added a \$25 million addition to their building. Our local newspaper ran a front-page story not too long ago about a study revealing

that one in five people in our city lives in poverty. This is a book about those two numbers. It's a book about faith and fear, wealth and war, poverty, power, safety, terror, Bibles, bombs, and homeland insecurity. It's about empty empires and the truth that everybody's a priest, it's about oppression, occupation, and what happens when Christians support, animate and participate in the very things Jesus came to set people free from. It's about what it means to be a part of the church of Jesus in a world where some people fly planes into buildings while others pick up groceries in Hummers.

As he revolutionized traditional teaching on hell in the phenomenal New York Times bestseller *Love Wins*, Rob Bell now transforms how we understand and practice marriage in *The Zimzum of Love*, co-written with his wife, Kristen. Despite the divorce statistics, people are still committing to each other, instinctively believing and hoping that theirs is a sacred union that will last forever. Yet when these couples encounter problems, they often lack the resources that keep them connected to this greater mystery surrounding marriage. Rob and Kristen Bell introduce a startling new way of looking at marriage, *The Zimzum of Love*. Zimzum is a Hebrew term where God, in order to have a relationship with the world, contracts, creating space for the creation to exist. In marriage, zimzum is the dynamic energy field between two partners, in which each person contracts to allow the other to flourish. Mastering this field, this give and take of energy, is the secret to what makes marriage flourish. Rob and Kristen Bell are brutally honest about their own struggles, their ups and downs, as together they pass along what matters most for couples. In this wise book, they explore the secret of what makes a happy union—probing the mystery at the heart of the extraordinary emotional connection that
