CIAO! continues to set the standard for interactive, flexible introductory Italian instruction with its state-of-the-art online technology package. Not only is this course entirely portable to accommodate the demands of a busy life, it features exciting new capabilities that allow students to share links, photos, and videos and to comment on those posted by their fellow classmates. The eighth edition is distinguished by several new resources and updates that promote the acquisition of Italian language and culture in accordance with the National Standards for Foreign Language Education. Communicative goals are established at the start of each chapter to provide students with clearly defined objectives as they work through the content, while skill-building strategies and interactive activities help them achieve those goals. The all-new Regioni d'Italia section establishes a thematic thread that is maintained throughout the chapter and provides plenty of opportunities to make cross-cultural comparisons even within the regions of Italy itself. CIAO!'S fully-updated
