Volume 1 of The Other Side of the Wire told the story of the German XIV Reserve Corps from the initial invasion of the Somme in Northern France in 1914 to the final hours before the momentous battle of 1 July 1916. Volume 2 covers the epic Battle of the Somme and takes the reader through the battle as seen through the eyes of the German defenders.

The Other Side Of The Wire Volume 2: The Battle of the ...  
The Other Side of the Wire brings to life a period long forgotten in the decades that have passed since the Great War ended in 1918. Until recently most books written on the Battle of the Somme concentrated almost exclusively on the British effort with only a brief mention of the period before 1 July 1916 and the German experience in the battle.

The Other Side of the Wire, Volume 3: With the XIV Reserve ...  
There are overt themes to Harold Coyle's newest work of historical fiction, The Other Side of the Wire, like World War II and coming-of-age, but there are quieter points of investigation as well that are still prominent and important: ideas like identity, isolation, and innocence. When designing and selecting a cover for this recent Master Wings Publishing release, it was important that the final choice would as much as possible represent the full picture of the novel.

Behind the Book Cover of The Other Side of the Wire ...  
As noted in our review of the first volume of The Other Side of the Wire, With the German XIV Reserve Corps on the Somme, September 1914 - June 1916, the corps was formed on the outbreak of the war from a handful of regular troops and a large number of reservists from Wurtemberg and Baden, and primarily consisted of the 26 th and 28 th Reserve Divisions. After a brief tour in Alsace, the corps took part in the final days of the war of movement in the late summer and autumn of 1914, and then ...

"An engaging, turbulent work of historical fiction, The Other Side of the Wire by Harold Coyle will leave you reeling. It's beautifully written, concise in its structure and elegant in its word choice. Though it tells the story from a third-person perspective, the language of the novel draws the reader in and truly immerses them in the ...

The book is being edited now for publication. It will probably be August before it gets out I am afraid, one issue was the size, some 1,200 pages when the casualty details are included.

The Other Side of the Wire Volume 1 With the German XIV ...  
"The Other Side of the Wall" was a fantastic read. I was unable to put it down until the last page. Horrifying and sad the persecution and lies told to the Jews to get them in the camps and humiliating treatment they suffered at the hands of the Nazi. Hans Koch, a Jewish boy, left at a German home by his physician father and later found murdered.

The other side of Venezuelan politics - The Wire  
The Wire is an American crime drama television series created and primarily written by author and former police reporter David Simon.The series was broadcast by the cable network HBO in the United States. The Wire premiered on June 2, 2002 and ended on March 9, 2008, comprising 60 episodes over five seasons. The idea for the show started out as a police drama loosely based on the experiences ...

The Wire - Wikipedia  
The side of a sheet or web of paper that has formed in contact with the papermaking machine's forming wire, as opposed to that formed on the top side of the paper, called the felt side. As water drains down through the wire from the papermaking furnish, small fibers (called fines), fillers, and sizing are lost through the mesh. Consequently, the wire side contains less fines, fillers, and sizing than the felt side. The paper's grain is also more pronounced on the wire side. Since the wire ...

By focusing on one of the principal German formations involved in the Somme fighting, author Ralph Whitehead brings to life this most terrible of battles.

Includes summarized reports of many bee-keeper associations.

Wire is not boring or still... Wire is alive! Wire has held fascination as an art and craft medium for many years, but it has only come into the limelight as of late. If you have an interest in wire's rich past or the desire to explore this creative medium, you will find everything you need in this comprehensive volume. Besides discovering how many innovative artists have used wire effectively in their art, you will learn how to apply the elements and principles of design in your own wire artwork. ¶ More than a dozen projects, including jewelry and home decor accessories ¶ Complete guide to basic wire techniques and applications ¶ Showcases the work of more than 75 talented artists
