entries, with examples  
of usage including many  
chosen to help users  
express themselves in a  
fluent style.

Most accounts of the  
Spanish transition to  
democracy have been  
celebratory exercises at  
the service of a  
stabilizing rather than a  
critical project of far-  
reaching reform. As one

Acces PDF

Papa Mujeriego

of the essays in this

volume puts it, the "pact

of oblivion," which

characterized the

Spanish transition to

democracy, curtailed

any serious attempt to

address the legacies of

authoritarianism that the

new democracy

inherited from the

Franco era. As a result,

those legacies pervaded

public discourse even in

Acces PDF

Papa Mujeriego

newly created organs of

opinion. As another

contributor argues, the

Transition was based on

the erasure of memory

and the invention of a

new political tradition.

On the other hand,

memory and its

etiolation have been an

object of reflection for a

number of film directors

and fiction writers, who

have probed the return

Acces PDF  
Papa Mujeriego  
of the repressed under  
spectral conditions.

Above all, this book  
strives to present  
memory as a  
performative exercise of  
democratic agents and  
an open field for  
encounters with  
different, possibly  
divergent, and  
necessarily fragmented  
recollections. The pact  
of the Transition could

Acces PDF

Papa Mujeriego

Spanish Edition

not entirely disguise the naturalization of a society made of winners and losers, nor could it ensure the consolidation of amnesia by political agents and by the tools that create hegemony by shaping opinion.

Spanish society is haunted by the specters of a past it has tried to surmount by denying it. It seems unlikely that it

Acces PDF

Papa Mujeriego

Spanish Edition

can rid itself of its  
ghosts without in the  
process undermining the  
democracy it sought to  
legitimate through the  
erasure of memories and  
the drowning of  
witnesses' voices in the  
cacaphony of  
triumphant  
modernization.
