The "Directory covers approximately 17,800 music publishers from 99 countries with full addresses, telephone numbers, fax numbers, e-mail addresses and URLs.

The guitar lessons of Julio Sagreras are among the most universally used collections of guitar music and represent a milestone in didactic guitar literature. This book, which includes the first three volumes of the original six-volume series, is an ideal introduction to classical guitar playing as well as to Latin American guitar music. Text written in English and Spanish with French and German translations in an appendix at the back of the book.

As the first book of its kind, Nancy Lee Harper's Portuguese Piano Music: An Introduction and Annotated Bibliography fills the gap in the historical record of Portuguese piano music from its start in the 18th century to the present. While although Spanish piano music is well documented owing to the reputation of such composers as Isaac Albéniz, Enrique Granados, and Manuel de Falla, our knowledge of compositions in the tradition of Portuguese piano music has not fared as well, barring the work of Carlos Seixas (1704–1742). This obscurity, however, reflects poorly on the history of early piano music in light of the many compositions written for fortepiano on behalf of the Portuguese court during the first half of the 18th century. Indeed, it was in the royal halls of King John V during his reign from 1706 to 1750 where the early fortepiano was frequently heard. In Portuguese Piano Music, Harper explores this rich musical tradition, offering a brief introduction to the pianistic history of Portugal and overviews of Portugal's contributions to solo piano music, piano in instrumental chamber music, piano concerti, piano for multiple pianists including with works with electronics, and didactic piano. While paying close attention to female composers, Harper adds an annotated and graded bibliography that presents readers with a comprehensive inventory of compositions. Appendixes include a selected discography, list of publishers, and other types of critical source information. To further illustrate its contents, Portuguese Piano Music contains a CD on which Harper performs representative repertoire, some of which are world premieres. This work is aimed at pianists, teachers, pupils, musicologists, and music lovers seeking to discover the remarkable world of Portuguese piano music.

REVISED AND ENLARGED EDITION. Edition of Collected Works comprising about one-third of the composer's total output. Selected and edited by Brian Torosian. Mertz was a leading guitarist composer from the Romantic period and his works are frequently performed in concerts today. His works are in the language and style of Mendelssohn, Schubert and Liszt.

El presente diccionario/enciclopedia de bolsillo (tres volúmenes, con un total de 10.000 artículos) constituye una obra de consulta indispensable para todos los aficionados a la música, y extremadamente útil para los estudiantes y profesionales. Su autor, catedrático de Historia de la música e investigador, se ha propuesto tres objetivos fundamentales: ante todo, lograr un máximo acopio de datos en un mínimo espacio. después, equilibrar los tratamientos relativos a la música y los músicos del pasado con la debida atención a las contribuciones contemporáneas. finalmente, incorporar unos nombres de compositores, musicólogos y ejecutantes que, si bien relevantes para el mundo musical español e iberoamericano, no suelen consignarse en los más completos diccionarios extranjeros. Esta obra, pese a su condición de texto introductorio, se ha elaborado con minuciosidad y hondura, sin que la inevitable brevedad se haya conseguido en detrimento del rigor.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

For violin and guitar. As recorded by Itzhak Perlman and John Williams.
