Pete Seeger in His Own Words - 1st Edition - Pete Seeger ...
Seeger is a legend in his own time. As the New York Times notes, this musician, songwriter and song collector-historian "helped spur the politically tinged folk music revival of the '50s and '60s. He spoke out against the Vietnam War and has remained an activist, notably on environmental issues."

Pete Seeger: A Legend in His Own Time | HuffPost
The son of musicologists Charles and Ruth Seeger, Pete spent two years at Harvard, where he got involved in radical politics and helped start a student newspaper, the Harvard Progressive, but he quit in 1938 in order to try his own hand at changing society by making music. He worked at the Library of Congress's Archive of American Folk Song (where he learned many of the songs he would sing throughout his career), traveled around with Woody Guthrie singing at migrant labor camps and union ...

Last month Pete Seeger died at the age of 94. He was a prophet in his own land. Daniel J. Solomon ' 16, a Crimson editorial executive, is a social studies concentrator in Pforzheimer House.

Pete Seeger: A Prophet in His Own Land | Opinion | The ...
Besides Pete Seeger (performing under his own name), members of the Weavers included charter Almanac member Lee Hays, Ronnie Gilbert, and Fred Hellerman; later Frank Hamilton, Erik Darling, and Bernie Krause serially took Seeger's place. In the atmosphere of the 1950s red scare, the Weavers' repertoire had to be less overtly topical than that of the Almanacs had been, and its progressive message was couched in indirect language — arguably rendering it even more powerful.

A spirited and intimate look at American icon and activist Pete Seeger. Throughout his life, Pete Seeger transformed a classic American musical style into a form of peaceful protest against war, segregation, and nuclear weapons. Drawing on his extensive talks with Seeger, Alec Wilkinson delivers a first hand look at Seeger's unique blend of independence and commitment, charm, courage, energy, and belief in human equality and American democracy. We see Seeger as a child, instilled with a love of music by his parents; as a teenager, hearing real folk music for the first time; as a young adult, singing with Woody Guthrie. And finally, Seeger the man marching with the Rev. Martin Luther King in Selma, standing up to McCarthyism, and fighting for his beloved Hudson River. The gigantic life captured in this slender volume is truly an American anthem.

The Pete Seeger Reader brings together writing by and about Seeger and covers his songwriting, recording, book and magazine publishing, and political organizing over the course of his lengthy, storied career.

An autobiography in words and songs by one of the most influential figures in American music.

Pete Seeger was an American folk musician and social activist whose outspoken songs about freedom and justice got him blacklisted from radio and TV for years. Pete Seeger was still singing and playing the banjo for tens of thousands of fans even when he was at the age of ninety-four. Born in New York City on May 3, 1919, Pete came from a family of musicians. Despite writing and singing folk songs that all of America knows, not many kids know his name. Why? Because his ties to the Communist Party got him banned from radio and television for many years! Well-known for his civil rights activism with Martin Luther King Jr., Seeger also spearheaded efforts that cleaned up the Hudson River and made it beautiful again. His best-known songs include "Where Have All the Flowers Gone?", "If I Had a Hammer" and "Turn, Turn, Turn." In this easy-to-read biography from the New York Times best-selling series, Pete Seeger is revealed as not just a performer but as a champion for a better world and the eighty illustrations contained in the book help bring his story to life.

Banished from the town for making mischief, a little boy and his father are welcomed back when they find a way to make the dreaded giant Abiyoyo disappear.

A tall, skinny man in blue jeans stands on a stage, one hand on his banjo, the other raised to the crowd of 15,000 people who have come to celebrate his ninetieth birthday. "Sing it!" he shouts, and everyone sings. How did a humble, banjo-playing Harvard University dropout become one of the most influential figures of the twentieth century? This is the story of Pete Seeger—singer, songwriter, social activist, environmentalist—who filled his toolbox with songs and set out to repair whatever in the world was broken. His story intertwines with a century of American history, and readers will be surprised to discover how many familiar songs, people, and projects somehow connect back to this one individual. What was it like for a city boy like Pete to hope freight trains with Woody Guthrie, the free-spirited composer of "This Land Is Your Land"? "The Lion Sleeps Tonight," a song beloved by people all over the world, might have been lost to history had it not been for Pete Seeger. The Hudson River is cleaner than it used to be; what did Pete do to help that happen? Through learning of his life of activism, readers will become links in the chain, inspired to reflect on their own power to make change.
