In this #1 New York Times bestseller, the CEO of Starbucks recounts the story and leadership lessons behind the global coffee company's comeback and continued success. In 2008, Howard Schultz decided to return as the CEO of Starbucks to help restore its financial health and bring the company back to its core values. In *Onward*, he shares this remarkable story, revealing how, during one of the most tumultuous economic periods in American history, Starbucks again achieved profitability and sustainability without sacrificing humanity. Offering you a snapshot of the recession that left no company unscathed, the book shows in riveting detail how one company struggled and recreated itself in the midst of it all. In addition, you'll get an inside look into Schultz's central leadership philosophy: It's not about winning, it's about the right way to win.

Onward is a compelling, candid narrative documenting the maturing of a brand as well as a businessman. Ultimately, Schultz gives you a sense of hope that, no matter how tough times get, the future can be more successful than the past.

During his many years as a senior executive at Starbucks, Howard Behar helped establish the Starbucks culture, which stresses people over profits. He coached hundreds of leaders at every level and helped the company grow into a world-renowned brand. Now he reveals the ten principles that guided his leadership-and not one of them is about coffee. Behar shows that if you think of your staff as people (not labor costs) they will achieve amazing results. He discusses the importance of building trust, telling hard truths, thinking independently, and more. And he shares inside stories of

Time Key turning points for Starbucks, as it fought to hang on to its culture while growing exponentially.

NEW YORK TIMES BESTSELLER • From the longtime CEO and chairman of Starbucks, a bold, dramatic work about the new responsibilities that leaders, businesses, and citizens share in American society today—as viewed through the intimate lens of one man ’ s life and work. What do we owe one another? How do we channel our drive, ingenuity, even our pain, into something more meaningful than individual success? And what is our duty in the places where we live, work, and play? These questions are at the heart of the American journey. They are also ones that Howard Schultz has grappled with personally since growing up in the Brooklyn housing projects and while building Starbucks from eleven

Time into one of the world's most iconic brands. In *From the Ground Up*, Schultz looks for answers in two interwoven narratives. One story shows how his conflicted boyhood—including experiences he has never before revealed—motivated Schultz to become the first in his family to graduate from college, then to build the kind of company his father, a working-class laborer, never had a chance to work for: a business that tries to balance profit and human dignity. A parallel story offers a behind-the-scenes look at Schultz's unconventional efforts to challenge old notions about the role of business in society. From health insurance and free college tuition for part-time baristas to controversial initiatives about race and refugees, Schultz and his team tackled societal issues with the same creativity and rigor they applied to changing how the world consumes coffee. Throughout the book, Schultz introduces a cross-

Time section of Americans transforming common struggles into shared successes. In these pages, lost youth find first jobs, aspiring college students overcome the yoke of debt, post-9/11 warriors replace lost limbs with indomitable spirit, former coal miners and opioid addicts pave fresh paths, entrepreneurs jump-start dreams, and better angels emerge from all corners of the country. From the Ground Up is part candid memoir, part uplifting blueprint of mutual responsibility, and part proof that ordinary people can do extraordinary things. At its heart, it ' s an optimistic, inspiring account of what happens when we stand up, speak out, and come together for purposes bigger than ourselves. Here is a new vision of what can be when we try our best to lead lives through the lens of humanity. “ Howard Schultz ’ s story is a clear reminder that success is not achieved through individual determination alone, but

Time; and Jackie, one of the most celebrated, meticulous, unknowable women in American history. Nonetheless, over the next decade their lives merged in inextricable and complex ways, and they forged a connection deeper than either could ever have foreseen. The time they spent together—lingering lunches and creative collaborations, nights out on the town and movie dates—brought a welcome lightness and comfort to their days, but their conversations often veered into more profound territory as they helped each other navigate the shifting waters of life lived, publicly, in the wake of great love and great loss. An intimate, vulnerable, and insightful portrait of the bond that grew between two iconic and starkly different American women, Carly Simon's *Touched by the Sun* is a chronicle, in loving detail, of the late friendship she and Jackie shared. It is a meditation on the ways

Access Free Pour Your Heart Into It How Starbucks Built A Company One Cup At A Time

someone can unexpectedly enter our lives and change its course, as well as a celebration of kinship in all its many forms. "In *Touched by the Sun*, Simon reveals an easy-going, playful side of [Jackie] that most people never saw — sneaking a smoke during intermission at the opera, frolicking in the ocean off the Vineyard . . . The woman who would later edit several of Simon ' s children ' s books was 'just fun to be around.'" —Juliet Pennington, *The Boston Globe*
