Principles Of Criminal Law

One of the most-important general principles of criminal law is that an individual normally cannot be convicted of a crime without having intended to commit the act in question. With few exceptions, the individual does not need to know that the act itself is a crime, as ignorance of the law is no excuse for criminal behaviour.

Hall, Jerome. General Principles of Criminal Law. Second Edition. Indianapolis: The Bobbs Merrill Company, [1960]. xii, 642 pp. Reprint available January, 2005 by the Lawbook Exchange, Ltd. ISBN 1-58477-498-3. Cloth. \$125. * The standard one-volume treatise based on classic legal-realist principles. As its title suggests, Hall provides more than a thorough overview of the subject; he analyzes the principles that comprise its foundations with an emphasis on their creation and definition by officials. This process is explored in its chapters on legality, mens rea, harm, causation, punishment, strict liability, ignorance and mistake, necessity and coercion, mental disease, intoxication and criminal attempt, as well as its general chapters on criminology, criminal theory and penal theory. Acclaimed when its first edition appeared in 1947, it has been cited regularly ever since.

Drawing from the existing theoretical literature and adding to it recent insights from the social sciences, Paul Robinson describes the nature of the practical challenge in setting rational punishment principles, how past efforts have failed, and the alternatives that have been tried.

The fifth edition of this established work on criminal law now includes detailed discussion of major judicial pronouncements on *dolus eventualis* (Pistorius), the limits of common purpose liability in its active association form (Dewnath), robbery with aggravating circumstances (Masingili), treason (the Boeremag Treason trial), racketeering/retrospectivity (Sovoi) and consensual child sexual experimentation (Teddy Bear Clinic). With the important entry into force on 9 August 2015 of the Prevention and Combating of Trafficking in Persons Act 7 of 2013, definitions of human trafficking and related offences have now become an integral part of our criminal law. Moreover, the transitional provisions on human trafficking in the Criminal Law (Sexual Offences and Related Matters) Amendment Act 32 of 2007 have been replaced with more detailed provisions under this Prevention and Combating of Trafficking in Persons Act 7 of 2013. A significant amendment to abortion law has been effected by the Choice on Termination of 'regnancy Amendment Act 1 of 2008 (assented to 12 February and promulgated 18 February 2008), following the Constitutional Court's judgment in *Doctors for Life International v Speaker of the National Assembly* 2006 (6) SA 416 (CC). Judgments of the Supreme Court of Appeal, the Constitutional Court and legislative amendments relevant to criminal law up until the end of 2015 have been included in this fifth edition of Principles of Criminal Law.

Criminal Law for Criminologists uses theoretical and practical research to bridge the gap between 'the law in the books' (criminal law doctrine) and 'the law in action' (criminal justice process). It introduces the key policies and principles that drive criminal law in England and then explains the law itself in terms of relevant statute and case law. Starting with an outline of the basic principles and theories of criminal law and criminal justice, the author goes on to discuss: Criminal law and criminal justice in historical perspective, General principles of criminal law, including *actus reus* and *mens rea*, Specific types of criminal offence, including property, homicide, sexual, public order and drug offences, An overview of defences to crime, An appendix outlining essential legal skills. In examining the links between the worlds of criminal law and criminal justice, Criminal Law for Criminologists brings a fresh perspective to this field of research. Written in a clear and direct style, this book will be essential reading for students of criminology, criminal justice, law, cultural studies, social theory, and those interested in gaining an introduction to criminal law.
