For courses in Introductory Psychology The most learner-centered and assessment-driven brief text available Throughout Psychology: An Exploration, 4th Edition, Sandra Ciccarelli and J. Noland White employ a learner-centered, assessment-driven approach that maximizes student engagement, and helps educators keep students on track. In this brief text, the authors draw students into the discipline by showing how psychology relates to their own lives. Clear learning objectives, based on the recommended APA undergraduate learning outcomes, guide students through the material. And assessment tied to these learning objectives lets students check their understanding, while allowing instructors to monitor class progress and intervene when necessary to bolster student performance. Available to package with Psychology: An Exploration, 4th Edition, MyLab™ Psychology is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. MyLab Psychology is ideal for courses requiring robust assessments. Note: You are purchasing a standalone product; MyLab does not come packaged with this content. Students, if interested in purchasing this title with MyLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. 0134641159 / 9780134641157 Psychology: An Exploration plus MyLab Psychology with eText – Access Card Package, 4/e Package consists of: 0134517962 / 9780134517964 Psychology: An Exploration, 4/e 0205206514 / 9780205206513 MyLab Psychology with eText Access Card Psychology: An Exploration, 4th Edition is also available via Revel™, an interactive digital learning environment that replaces the print textbook, enabling students to read, practice, and study in one continuous experience. Revel is ideal for courses where student engagement and mobile access are important.

Thus begins market-leading author David Myers' discussion of developmental psychology in Unit 9 of his new Myers' Psychology for AP® Second Edition. With an undeniable gift for writing, Dr. Myers will lead your students on a guided tour of psychological science and poignant personal stories. Dr. Myers teaches, illuminates, and inspires. Four years ago, we published this ground-breaking text which is correlated directly to the AP® course. Today, we build on that innovation and proudly introduce the 2nd AP® Edition. Whether you are new to AP® psychology or have many years under your belt, this uniquely AP® book program can help you achieve more.

The most learner-centered and assessment-driven text available With its engaging writing style and comprehensive coverage of key research, Psychology, 3/e, awakens students' curiosity and energizes their desire to learn more. This brief version draws readers into an ongoing dialogue about psychology, allowing them to fully grasp the subject. The authors establish clear learning objectives tied to the most recent APA-recommended undergraduate learning outcomes. MyPsychLab is an integral part of the Ciccarelli/White program. Engaging activities plus assessments provide a teaching and learning system that helps students master psychological concepts more readily. With MyPsychLab, students can watch videos on research and applications, participate in virtual classic experiments, and develop critical thinking skills through writing. Psychology, 3/e, is available in a new DSM-5 Updated Edition. To learn more, click here. This title is available in a variety of formats - digital and print. Pearson offers its titles on the devices students love through Pearson's MyLab products, CourseSmart, Amazon, and more.

5-Steps, Barron's and the other review books are great resources for the end of the year, but the Tamm's Textbook Tools line accompanies kids all year long. They are filled with assignments that follow the regular text as they go through all 14 chapters and the appendix of Ciccarelli & White's 4th AP edition of Psychology*, published by Pearson. Teachers can copy vocab and chapter activities at will, and they are perfect if there is a substitute. When publishers started putting the majority of their content online, it opened a niche for traditional paper assignments, which this workbook fills. It doesn't matter whether the textbook is written in ink or electrons, students still need to physically write and keep a notebook for themselves. Portfolios still matter. This independently made series challenges students to define the concepts, apply them, and give examples. Easily collectible, this item may also be used as a student consumable. Find TTT on FB.

The most learner-centered and assessment-driven text available. Ciccarelli/White, Psychology, 3/e is praised for a very engaging writing style, comprehensive coverage of key research, and strong pedagogical features. This best-selling text focuses on getting students to actually read their textbook. The authors use the recommended APA undergraduate psychology learning outcomes and establish clear learning objectives for students, while tying the text assessment to these objectives. Student and instructor feedback from extremely successful first and second editions emphasize the appeal of Ciccarelli/White's approach to teaching and learning in today's classroom.

With an undeniable gift for writing, David Myers will lead your students on a guided tour of psychological science and poignant personal stories. This ground-breaking text is correlated directly to the AP® course. Whether you are new to AP® Psychology or have many years under your belt, this uniquely AP® book program can help you achieve more.
