Read PDF Richard Paul Critical Thinking

Critical Thinking is about becoming a better thinker in every aspect of your life: in your career, and as a consumer, citizen, friend, parent, and lover. Discover the core skills of effective thinking; then analyze your own thought processes, identify weaknesses, and overcome them. Learn how to translate more effective thinking into better decisions, less frustration, more wealth Ñ and above all, greater confidence to pursue and achieve your most important goals in life.

Read PDF Richard Paul Critical Thinking

Critical Thinking, 2nd Edition is about becoming a better thinker in every aspect of your life—as a professional, as a consumer, citizen, friend, or parent. Richard Paul and Linda Elder identify the core skills of effective thinking, then help you analyze your own thought processes so you can systematically identify and overcome your weaknesses.

This introduction to critical thinking focuses on an integrated, universal concept of critical thinking that is both substantive and practical. It provides students with the
