Civilizations come and go... ...and they don't always go quietly. In our global civilization, the consequence of it all crashing is going to be far-reaching, and with nowhere to hide. With so many moving parts and a lack of long-term stewardship by our leaders, odds are good that you will want to make at least a few preparations... but the question you often ask is: how? That's where I come in. In *Beyond Collapse*, we not only get you prepared for such an event, but we also help you and your fellow survivors come together, defend one another, preserve what may be lost and rebuild civilization

together. Unlike most books of this type, we don't require a paramilitary mindset, tinfoil headgear, bunkers, or living "off-grid." Everything in here is geared towards gaining skills and resources that are just as useful and socially acceptable in peaceful times as they will be when society and civilization crashes. You will find this book useful for beginners, or those who have been preparing for a long time. The best part is, you will find it useful even if civilization holds up just fine.

Lancelot, the greatest Knight of Camelot, is almost flogged to death, exiled, and stripped of the King's grace. He travels from England to Europe to begin a lonely, desperate life when he meets someone who will alter his perspective forever.

Suddenly, he is trapped into a fate which forces his return to England where he must fight to regain his honor and his King's life.

The United States is one of history's great Christian nations, but our unique history, success, and global impact have seduced us into believing we are something more--God's New Israel, the new order of the ages, the last best hope of mankind, a redeemer nation. Using the subtle categories that arise from biblical narrative, *Between Babel and Beast* analyzes how the heresy of Americanism inspired America's rise to hegemony while blinding American Christians to our failures and abuses of power. The book demonstrates that the church best serves the genuine good of the United States by training

witnesses--martyr-citizens of God's Abrahamic empire.

Becoming pregnant is hugely exciting, but with so many things to think about, it can also be a bit overwhelming. Ease all worries with *The Baby Bump*, a comprehensive guide that offers expert and real mom advice on surviving those all-important nine months. Featuring tips and advice on everything future moms really want to know—including what is safe to eat, how the baby develops week by week, and what to expect in the delivery room—reading this book is like chatting with a been-there, done-that best friend. *The Baby Bump* offers a wealth of fun features such as Birth Plan Checklists, a Kick Count Tracker, and a Work Your Wardrobe outfit assembly guide. It's the must-

have resource for any mom-to-be.

AN AREA OF DARKNESS 'Brilliant ...
tender, lyrical, explosive' Observer
V.S. Naipaul was twenty-nine when he
first visited India. This is his semi-
autobiographical account-at once
painful and hilarious, but always
thoughtful and considered-a
revelation both of the country and of
himself. INDIA: A WOUNDED
CIVILIZATION 'A devastating work,
but proof that a novelist of Naipaul's
stature can often define problems
quicker and more effectively than a
team of economists and other experts'
The Times Prompted by the
Emergency of 1975, Naipaul casts a
more analytical eye, convinced that
India, wounded by a thousand years

of foreign rule, has not yet found an ideology of regeneration. INDIA: A MILLION MUTINIES NOW

'Indispensable for anyone who wants seriously to come to grips with the experience of India' New York Times Book Review It is twenty-six years since Naipaul's first trip to India. Taking an anti-clockwise journey around the metropolises-including Bombay, Madras, Calcutta and Delhi-he focuses on the country's development since Independence. The author recedes, allowing Indians to tell the stories, and a dynamic oral history of the country emerges.
