The only person he ' s ever loved is dead. The only people who might save him have turned their backs. Andy McNab's action packed series continues in book seven, Deep Black. The future looks bleak for Nick Stone... that is until a chance encounter reunites him with a man whose life he saved 10 years ago. What seems a simple quest in Baghdad takes Stone into the heart of a chilling conspiracy... from violent Bosnia to lightening-paced action in Iraq. But too late, he realizes that he is being used as bait to lure into the open a man he believes can offer some salvation. A man whom the darker forces of the West will stop at nothing to destroy...

Three tons of Saddam Hussein ' s gold in an unguarded warehouse in Dubai... for two of Nick Stone ' s closest ex-SAS comrades, it was to have been the perfect, victimless crime. But when they ' re double-crossed and the robbery goes devastatingly wrong, only Stone can identify his friends ' killer and track him down. As one harrowing piece of the complex and sinister jigsaw slots into another, Stone ' s quest for vengeance becomes a journey to the heart of a chilling conspiracy, to which he and the beautiful Russian investigative journalist with whom he has become ensnared unwittingly hold the key.

A charming, unconventional love story about a couple who embark on a wildly passionate, two-week fling that will change both of their lives forever. ... Anyone can fall in love. But not everyone can stay there. Fisher and Ivy have been an item for all of nineteen days. Both of them have been in relationships before, and this time around, they know something is different - they are meant to be together. The fact that they know little else about each other is a minor detail. But over the next year, a time in which their lives are irrevocably altered, Fisher and Ivy discover that falling in love is one thing - and staying there is an entirely different story.

Now a Sky Original film starring Outlander's Sam Heughan, Ruby Rose, and Andy Serkis 'One of the great all-action characters of recent times. Like his creator, the ex-SAS soldier turned uber agent is unstoppable.' Daily Mirror 'Authentic to the core' Daily Express The Channel Tunnel. Your worst fears are about to come true... \_\_\_\_\_ Deep beneath the English Channel, a small army of vicious terrorists has seized control of the Eurostar to Paris, taken 400 hostages at gunpoint - and declared war on a government that has more than its own fair share of secrets to keep. One man stands in their way. An off-duty SAS soldier is hiding somewhere inside the train. Alone and injured, he's the only chance the passengers and crew have of getting out alive. Meet Andy McNab's explosive new creation, Sergeant Tom Buckingham, as he unleashes a whirlwind of intrigue and retribution in his attempt to stop the terrorists and save everyone on board - including Delphine, the beautiful woman he loves. \_\_\_\_\_ Hurting us at breakneck speed between the Regiment's crack assault teams, Whitehall's corridors of power and the heart of the Eurotunnel action, RED NOTICE is McNab at his devastatingly authentic, pulse pounding best. What readers are saying: \*\*\*\*\* 'Always thrilling, once started it is hard to put down until the final page.' \*\*\*\*\* 'Constant action from beginning to end, and totally believable. The best thriller writer out there.' \*\*\*\*\* 'As a former SAS soldier himself, his stories are full of tactical details and facts that only come with that deep connection.'

Malcolm George Galbraith is a large, somewhat clumsy, Scotsman. He ' s being forced to leave the woman he loves behind and needs to explain why. So he leaves her a handwritten note on the kitchen table (well, more a 300-page letter than a note). In it, Malcolm decides to start from the beginning and tell the whole story of his long life, something he ' s never dared do before. Because Malcolm isn ' t what he seems: he ' s had other names and lived in other places. A lot of other places. As it gathers pace, Malcolm ' s story combines tragedy, comedy, mystery, a touch of leprosy, several murders, a massacre, a ritual sacrifice, an insane tyrant, two great romances, a landslide, a fire, and a talking fish.

In an unnamed Third World country, in the not-so-distant future, three " dumpsite boys " make a living picking through the mountains of garbage on the outskirts of a large city. One unlucky-lucky day, Raphael finds something very special and very mysterious. So mysterious that he decides to keep it, even when the city police offer a handsome reward for its return. That decision brings with it terrifying consequences, and soon the dumpsite boys must use all of their cunning and courage to stay ahead of their pursuers. It ' s up to Raphael, Gardo, and Rat—boys who have no education, no parents, no homes, and no money—to solve the mystery and right a terrible wrong. Andy Mulligan has written a powerful story about unthinkable poverty—and the kind of hope and determination that can transcend it. With twists and turns, unrelenting action, and deep, raw emotion, Trash is a heart-pounding, breath-holding novel.

INTERNATIONAL BEST SELLING AUTHOR OF BRAVO TWO ZERO IN HIS EXPLOSIVE TRUE STORY " A gripping account of special forces at work . . . a tremendous adventure story. " –Daily Telegraph " The best account yet of the SAS in action. " –Sunday Times From the SAS soldier who invented the modern military memoir comes a storming battering ram of thrill-packed, unforgettable drama. Never-before-revealed covert operations and heartbreaking human stories combine to create a new classic and a book that takes us back to where it all began... SEVEN TROOP is Andy McNab ' s gripping account of the time he served in the company of a remarkable band of brothers – from the day, freshly badged, he joined them in the Malayan jungle, to the day, ten years later, when he handed in his sand-coloured beret and started a new life. The things they saw and did during that time would take them all to breaking point – and some beyond – in the years that followed. He who dares doesn ' t always win... \_\_\_\_\_Paying tribute to the soldiers he served with for 10 years, he tells the poignant story of five brave men of whom, tragically, he is the only one still alive." - News of the World "Brutal, touching, and humorous, this book recounts McNab ' s time in the SAS ' s Air Troop. It made me realise that he can fight as well as write. Treading in the footsteps of Sassoon, Brooke and Owen he pretty much founded the genre of the modern military memoir." Professor Kevin Dutton, University of Oxford \_\_\_\_\_What people are saying about SEVEN TROOP: "From the heart of a true warrior" "Seven Troop is yet another well written account of SAS actions on a much more personal scale, literally "a day in the life" thereof." "What he does differently in this book compared to his two others is describe the costs of being SAS. How he and others react to the deaths of their friends when they are killed on operations, the political decision making of the higher ups that override tactical common sense, being a small cog in a big machine and ultimately not being very valued by SAS headquarters."

Andy McNab's action-packed series featuring ex-deniable operator Nick Stone returns with Line of Fire. Nick is back in London, but if he thought he was home for a break, he ' s very, very wrong. Backed into a corner by a man he knows he cannot trust, Stone strikes a devil's bargain. In exchange for his own safety – a life for a life – Stone is charged with locating someone who doesn ' t want to be found, currently hiding out in one of the remotest corners of the UK. And for the first time in a long time, he ' s not operating alone. But Stone and his team don ' t find just anyone. They find a world-class hacker, so good that her work might threaten the stability of the western world as we know it. These are dangerous waters and Stone is quickly in over his head. Before he finally knows which way to turn, the choice is ripped out of his hands. Most people might think of home as safety but Nick Stone isn ' t most people. For him and his team, it ' s just another place to get caught in the line of fire...

A THRILLING NEW NOVEL FROM THE INTERNATIONAL BEST SELLING AUTHOR OF BRAVO TWO ZERO They say before you embark on a journey of revenge, dig two graves. For James Mercer, the financial ruin of his family by the institutions they trusted can never be undone. It shattered everyone, leaving him with a burning need to right the wrongs they suffered. He will stop at nothing to recoup what they are owed. It's not theft, it's payback. Until his solo crusade falls foul of the very people he seeks to rob - the one per centers, the people who own the bulk of the world's wealth. Soon he is putting together a crew to carry out one last robbery, to undertake one last job. Success will restore his family's fortunes, but failure will destroy them forever. Packed with relentless action and the sort of riveting authenticity only Andy McNab can provide, Whatever it Takes tells the story of one man's extraordinary pursuit of justice against devastating odds, a story as hard and real and controversial as any of today's headlines, which will show the world as it really is... \_\_\_\_\_What people are saying about WHATEVER IT TAKES: "An excellent stand alone read from Andy McNab" "Action packed" "As with all his books a great read from start to finish!"
