Starting with a tiny seahorse, a young diver encounters numerous sea creatures while hunting for treasure. But watch out! Not every undersea creature is friendly. As our explorer discovers when a shark discovers him! Never fear because this adventure, as it turns out, takes place in the bath! The text is fabulous to read aloud - it's filled to the gills with memorable word play, bouncing rhythms and the names of exotic sea creatures. It absolutely begs to be read over and over again!

Vogt & Echevarria 99 Ideas and Activities for Teaching English Learners with the SIOPI® Model, 1/e ISBN: 0-205-52106-1 The Perfect Companion to Making Content Comprehensible for English Learners: The SIOPI® Model!!! This long-awaited new book by acclaimed authors MaryEllen Vogt and Jana Echevarria offers research-based, SIOPI®-tested techniques for lessons that include the eight SIOPI® components. The 99 ideas and activities in this book include a few familiar techniques that have been shown to be especially effective for ELLs, as well as many new ideas for SIOPI® teachers. All promote student-to-student and teacher-to-student interaction and involvement proven to be so necessary for English language acquisition and content development. This book is surely to become an indispensable resource for teachers of English learners. Overwhelming response from reviewers! "[T]he strategies in [the book] are useful for any classroom teacher. It supports everything teachers learn in SIOPI in a concrete, easy-to-follow format. While obviously it would be best to use in conjunction with the SIOPI model, some of the strategies could also be used in isolation to improve teaching practice as well. Teachers are always looking for ways to "beef up" their classroom instruction-this book gives them what they want!" -Karen Fichter, Zebulon GT Magnet Middle School, NC "This book would help to answer so many of the questions that teachers have about how to enhance their teaching. This textbook would be a welcome addition to our program and would be one of those books that teachers would keep and use for a long time after they complete their graduate course work." -Julia S. Austin, University of Alabama at Birmingham What makes 99 Ideas and Activities for Teaching English Learners with the SIOPI® Model a must-have? Offers step-by-step directions and examples of content and language objectives for all ideas and activities. Provides use-tomorrow ideas and activities for implementing the eight components of the SIOPI® Model. Includes 12 sample lesson plans that illustrate how a particular activity can be effective for ALL students, and all of these sample lessons are adapted for both elementary and secondary students. Features classroom-ready content and language objectives for all relevant activities.

Note: This is the bound book only and does not include access to the Enhanced Pearson eText. To order the Enhanced Pearson eText packaged with a bound book, use ISBN 0134550137. A comprehensive, coherent, research-validated model designed for helping secondary English learners meet rigorous academic standards. In this comprehensive guide, secondary educators get a user-friendly approach for planning and implementing lessons that provide students access to grade-level content, develop students' academic English skills, and prepare students to be college- and career-ready. Proven successful in improving teaching effectiveness and realizing academic gains for students, the SIOPI Model presented in this book can be implemented in all content areas, and across grade levels and English proficiency levels. Highlights of the 3rd Edition include specific applications of SIOPI to Common Core and other state standards, as well as new educational reforms such as ESSA. To help teachers implement the SIOPI model, new learning aids have been added, including Reflect and Apply exercises, Teaching with Technology vignettes, a new SIOPI lesson plan template and sample lesson plan, and a new user-friendly approach to identifying and writing language objectives. The Enhanced Pearson eText version provides embedded video links that enable students to see the SIOPI model in action, along with interviews featuring SIOPI educators. Improve mastery and retention with the Enhanced Pearson eText* The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is: Engaging. The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience. Convenient. Enjoy instant online access from your

They are not available in third-party eTexts or downloads. *The Pearson eText App is available on Google Play and in the App Store. It requires Android OS 3.1-4, a 7" or 10" tablet, or iPad iOS 5.0 or later.

On a winter's night under a full moon, a father and daughter trek into the woods to see the Great Horned Owl.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. This authoritative guide for ensuring all students are able to achieve high standards is an essential resource for educators in any school with English learners. It provides practical help for designing and implementing effective RTI programs using the SIOp® Model, and ensuring the appropriate type of instruction that English learners need and deserve. Response to Intervention (RTI) and English Learners, 2/e includes important background information on RTI; examines the academic and linguistic challenges that English learners face; and covers appropriate and effective multi-tier instruction, assessment, and intervention with RTI, specifically for English learners. The authors include recommendations for implementing the eight components of the SIOp® Model for Tier 1 within an RTI framework, and additional suggestions for implementing RTI in secondary schools.

Twenty-one poems about growing up in an Hispanic neighborhood, highlighting the delights in such everyday items as sprinklers, the park, the library, and pomegranates.

"At the end of each chapter for six of the SIOp components (Building Background, Comprehensible Input, Strategies, Interaction, Practice/Application, Review/Assessment) you will find two comprehensive lesson plans, one written at the elementary and one at the secondary level" --

John Reynolds Gardiner's classic action-packed adventure story about a thrilling dogsled race has captivated readers for more than thirty years. This middle grade novel is an excellent choice for tween readers in grades 5 to 6, especially during homeschooling. It 's a fun way to keep your child entertained and engaged while not in the classroom. Based on a Rocky Mountain legend, Stone Fox tells the story of Little Willy, who lives with his grandfather in Wyoming. When Grandfather falls ill, he is no longer able to work the farm, which is in danger of foreclosure. Little Willy is determined to win the National Dogsled Race—the prize money would save the farm and his grandfather. But he isn't the only one who desperately wants to win. Willy and his brave dog Searchlight must face off against experienced racers, including a Native American man named Stone Fox, who has never lost a race. Exciting and heartwarming, this novel has sold millions of copies and was named a New York Times Outstanding Children's Book.

A brief introduction to how and why different objects sink or float.
