reviewer outspoken1 in a review of EVERMORE DESCRIPTION
Seventeen year-old spirit medium Emily Chambers has a problem. Actually, she has several. As if seeing dead people isn't a big enough social disadvantage, she also has to contend with an escaped demon and a handsome ghost with a secret past. And then there's the question of her parentage. Being born an entire year after her father's death (yes, a year) and without the pale skin of other respectable English ladies, Emily is as much a mystery as the dead boy assigned to her. Jacob Beaufort's spirit has been unable to crossover since his death several months ago. It might have something to do with the fact he was murdered. Or it might not. All he knows is, he has been assigned by the Otherworld's administrators to a girl named Emily. A girl who can see and touch him. A girl who released a shape-shifting demon into the mortal realm. Together they must send the demon back before it wreaks havoc on London. It should be a simple assignment, but they soon learn there's nothing simple when a live girl and a dead boy fall in love. KEYWORDS: historical fantasy, gothic, historical romance, historical paranormal romance, alternate history, gothic romance, ghosts, ghost story, clean paranormal, clean romance, young adult book, teen book, book appropriate for teens, bestselling series, slow burn romance, box set bargain

Informed, controversial, ranging from a melancholy study of rock and roll's descent into show business to a hilarious look at the spectacle that is the Jerry Lewis Telethon, these twenty essays offer an unusual and (ironically) entertaining study of American media by one of its foremost critics.

Graham Whittaker returns to Coral Canyon, Wyoming a few days after Christmas--after the death of his father. He's just found out his long-time girlfriend in Seattle has been cheating on him, and while Coral Canyon isn't his first choice of where to live, it's certainly the friendliest. He takes over the energy company his dad built from the ground up and buys a high-end lodge to live in--only a mile from the home of his once-best friend, Laney McAllister. Laney returned to her family ranch after college, but her husband wasn't cut out for the country lifestyle on the land at the base of the Grand Teton National Forest. He left Laney and their daughter, Bailey, to work the ranch themselves, which they've been trying to do. But with her furnace on the brink of failure and the snow falling faster than ever, Laney agrees to bring Bailey up to Graham's lodge for the holidays. They were best friends once, but Laney's always entertained feelings for him, and spending so much time with him while they make Christmas memories puts her heart in danger of getting broken again. Can they take their friendship to the next level and build a family? Or will Laney be risking her heart only to remain in
