The pursuit to understand the human brain in all its intricacy is a fascinatingly complex challenge and neuroscience is one of the fastest-growing scientific fields worldwide. There is a wide range of career options open to those who wish to pursue a career in neuroscience, yet there are few resources that provide students with inside advice on how to go about it. So You Want to Be a Neuroscientist? is a contemporary and engaging guide for aspiring neuroscientists of diverse backgrounds and interests. Fresh with the experience of having recently launched her own career, Ashley Juavinett provides a candid look at the field, offering practical guidance that explores everything from programming to personal stories. Juavinett begins with a look at the field and its history, exploring our evolving understanding of how the brain works. She then tackles the nitty-gritty: how to apply to a PhD program, the daily life of a graduate student, the art of finding mentors and collaborators, and what to expect when working in a lab. Finally, she introduces readers to diverse young scientists whose career paths illustrate what you can do with a neuroscience degree. For anyone intrigued by the brain or seeking advice on how to further their ambitions of studying it, So You Want to Be a Neuroscientist? is a practical and timely overview of how to learn and thrive in this exciting field.

A mysterious library book opens the door to a world of magic and danger in the first book in the beloved Young Wizards series. Bullied by her classmates, Nita Callahan is miserable at school. So when she finds a mysterious book in the library that promises her the chance to become a wizard, she jumps at the opportunity to escape her unhappy reality. But taking the Wizard's Oath is no easy thing, and Nita soon finds herself paired with fellow wizard-in-training Kit Rodriguez on a dangerous mission. The only way to become a full wizard is to face the Lone Power, the being that created death and is the mortal enemy of all wizards. As Nita and Kit battle their way through a deadly alternate version of New York controlled by the Lone Power, they must rely on each other and their newfound wizarding skills to survive--and save the world from the Lone One's grasp.

Few jobs in Hollywood are as shrouded in mystery as the role of the producer. What does it take to be a producer, how does one get started, and what on earth does one actually do? In So You Want to Be a Producer Lawrence Turman, the producer of more than forty films, including The Graduate, The River Wild, Short Circuit, and American History X, and Endowed Chair of the famed Peter Stark Producing Program at the University of Southern California, answers these questions and many more. Examining all the nuts and bolts of production, such as raising money and securing permissions, finding a story and developing a script, choosing a director, hiring actors, and marketing your project, So You Want to Be a Producer is a must-have resource packed with insider information and first-hand advice from top Hollywood producers, writers, and directors, offering invaluable help for beginners and professionals alike. Including a comprehensive case study of Turman ' s film The Graduate, this complete guide to the movie industry ' s most influential movers and shakers brims with useful tips and contains all the information you need to take your project from idea to the big screen.

So, you want to be Canadian? Who doesn't these days? Canucks are enjoying a major renaissance in attention, from their enlightened social policies to their wild and wooly pop culture. This playful, trivia-packed book is a long-overdue celebration of all things Canadian, from the mysteries of "eh?" to the difference between an Ogo Pogo and a Windingo to how to prepare moose stroganoff (mmm!). Featuring a dreamy list of Canadian hotties, a toe-tapping roundup of Canadian smash hit songs, a handy Canadian-American translator, and pointers on how to eat, dress, and apologize like a Canadian if you weren't lucky enough to be born a Canuck, So, You Want to Be Canadian demonstrates once and for all why Canada is so cool (formerly just cold).

A hilarious inside look at the real business of popular music by the drummer of Semisonic that does for rock and roll what Jim Bouton's Ball Four did for baseball. After years of working day jobs and making music in his basement, Jacob Slichter wondered if his dreams of rock stardom were a vain illusion. Then he was recruited by two of his successful musician friends to form a band that became Semisonic. Who could forget the smash single " Closing Time, " a runaway hit in 1998 that thrust Jake and his bandmates into the international spotlight and helped them sell over two million albums worldwide? But along the road to fame and success came bewilderment and personal chaos: How will we ever get a record deal? Which record company is the best? The worst? Do I really have to wear these ridiculous boots? Why isn ' t radio playing our song? What if I have a panic attack right here on stage? What should I write on this fan ' s CD? Am I famous? Why isn ' t the video director getting more shots of me? Did I say the wrong thing during that interview? Help! So You Wanna Be a Rock & Roll Star is a telling and witty look at what happens just before and during one's time in the spotlight. Jake takes readers on a step-by-step journey of his evolution from fledgling drummer to globetrotting performer and proves to be the perfect guide--feisty and humbled--to the inner workings of the music industry and instant celebrity. So You Wanna Be a Rock & Roll Star speaks to all of us who dream again and again of rock superstardom and shows how one kid can go from picking up a pair of drumsticks to picking up a platinum record.

An essential guide for wannabe ninjas--and fair warning for those brave, or foolish, enough to learn the craft.
