Society: The Basics, 12th edition. There is also a new system for identifying the difficulty of the questions. In earlier editions, the questions were tagged in one of three ways: factual (rote memorization), conceptual (dealing with key concepts), and applied (application of sociological knowledge to a situation).

John Macionis, like many college students, found his passion and life's work after taking an introductory sociology course. Sociology helped him make sense of the world around him. John shares his enthusiasm, excitement and teaching experience through a clear and engaging writing style that connects with students. This is the introductory sociology text that shows students how sociology is relevant in their daily lives. Sociology, 12/e, has an innovative new design, contemporary and relevant student applications, plus a wealth of supplemental material. This revision elevates Sociology's high standard of excellence, ensuring that it remains one of the foremost comprehensive introductory sociology resources for students and instructors alike. Sociology, 12/e strengthens the Macionis tradition of helping students see sociology in their everyday life!

Using a topics-based approach organized around provocative questions about the interaction of sports, culture and society, *Sports in Society* presents an accessible introduction to research and theory in the sociology of sport. This new edition continues the legacy of the previous editions while introducing new material and examples that bring theory to life. Current debates in sports, such as how youth participation can be increased or sport funding allocated, have been integrated throughout the text to provide a holistic view of society. An Online Learning Centre accompanies this book offering a range of lecturer support materials as well as resources and tests for students.

Robert's Rules of Order Newly Revised, commonly referred to as Robert's Rules of Order, RONR, or simply Robert's Rules, is the most widely used manual of parliamentary procedure in the United States. It governs the meetings of a diverse range of organizations-including church groups, county commissions, homeowners associations, nonprofit associations, professional societies, school boards, and trade unions-that have adopted it as their parliamentary authority. The manual was first published in 1876 by .US Army officer Henry Martyn Robert, who adapted the rules and practice of Congress to the needs of non-legislative societies. Ten subsequent editions have been published, including major revisions in 1915 and 1970. The copyright to Robert's Rules of Order Newly Revised is owned by the Robert's Rules Association, which selects by contract an authorship team to continue the task of revising and updating the book. The 11th and current edition was published in 2011. In 2005, the Robert's Rules Association published an official concise guide, titled Robert's Rules of Order Newly Revised In Brief. A second edition of the brief book was published in 2011.

**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Health starts here! With an emphasis on media, the new Health: The Basics, Tenth Edition features
