A New York Times Bestseller! From the bestselling How to Catch series comes a festive turkey tale! A turkey is running loose in a school right before a Thanksgiving play. Can YOU help catch it? Follow along as students turn their school upside down trying to catch the turkey, ending with a twist that ensures no turkeys are harmed (or eaten!). Thanksgiving time is here again, but there's a turkey on the run! Can you catch this tricky bird before the school play has begun?

Lucy Calkins discusses how to teach writing and how children develop as writers; she stresses the importance of staff development for teachers of writing.

From the New York Times and USA Today bestselling How to Catch series comes a new winter adventure! Our heroes' entry for the snowman contest has magically come to life—and ran away! Can YOU help catch it? Get ready for snow much fun as you travel through a winter wonderland with running, skating, and bouncing through trap after trap to catch the snowman and claim the winning prize. Will the snowman teach our heroes a lesson they'll never forget? Who snows! I don't thumpity-thump or give warm hugs—that's for my snowman friends to do. Clever kids will try to trap me, but who will catch me...YOU? Also in the How to Catch Series: How to Catch a Unicorn How to Catch a Mermaid How to Catch a Dinosaur How to Catch an Elf How to Catch a Monster and more!

"HELP! My Students Can't Write!" Why You Need a Writing Revolution in Your Classroom and How to Lead It. The Writing Revolution (TWR) provides a clear method of instruction that you can use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, TWR can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities TWR is as much a method of teaching content as it is a method of teaching writing. There's no separate writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Three little mouse brothers go into the meadow to find a present for their mother but it is the littlest mouse that comes up with the most unusual gift of all.

Provides guidelines and examples for handling research, outlining, spelling, punctuation, formatting, and documentation.

It's been a decade since Lynne Dorfman and Rose Cappelli wrote the first edition of *Mentor Texts* and helped teachers across the country make the most of high-quality children's literature in their writing instruction. In the second edition of this important book Lynne and Rose show teachers how to help students become confident, accomplished writers by using literature as their foundation. The second edition includes brand-new "Your Turn Lessons," built around the gradual release of responsibility model, offering suggestions for demonstrations and shared or guided writing. Reflection is emphasized as a necessary component to understanding why mentor authors chose certain strategies, literary devices, sentence structures, and words. Lynne and Rose offer new children's book titles in each chapter and in a carefully curated and annotated Treasure Chest. At the end of each chapter a "Think About It--Talk About It--Write About It" section invites reflection and conversation with colleagues. The book is organized around the characteristics of good writing--focus, content, organization, style, and conventions. Rose and Lynne write in a friendly and conversational style, employing numerous anecdotes to help teachers visualize the process, and offer strategies that can be immediately implemented in the classroom. This practical resource demonstrates the power of learning to read like writers.

Arthur finds his role as director of the Thanksgiving play a difficult one, especially since no one will agree to play the turkey.
