want to eat and
don't want to
wash...The books
are very
suitable both
for reading to
young children
and for older
children to use
to learn to read
in both
languages. They
might even
persuade them to

repetitive
structure is

easily imagine
young children
demanding repeat
readings and
enjoying
learning the
text by heart as
many children do
with favourite
stories.

Children
learning to make

stories might
well want to

the stories
would work well
