Tangle Games- Here's where we get into the tangling. I approached this chapter not so much as starter pages for people to tangle in, but as prompts to get you exploring new ways to draw with pattern. Tangling is fabulously relaxing and meditative, and I wanted to include fun ideas that would get kids interested in it as well as break apart from the semi-strict ideas of Zentangle®, which is a trademarked name and technique.

the mind focused, and provide hours of edifying entertainment. Move through the book at your own pace. Start with basic drawing games, followed by a section of activities that can be done with friends, then work with some mixed-media activities, and end with awesome tangle art games. Each activity includes ideas for how to "Make it Silly," and ways to vary the themes so you can play the games over and over. Families will make exciting discoveries, find creative ways to spend their time, master visual and manual skills, and most importantly, have fun!

In Math Art and Drawing Games for Kids, you'll find an amazing collection of more than 40 hands-on art activities that make learning about math fun! Create fine art-inspired projects using math, including M. C. Escher's tessellations, Wassily Kandinski's abstractions, and Alexander Calder's mobiles. Make pixel art using graph paper, grids, and dot grids. Explore projects that teach symmetry with mandala drawings, stained glass rose window art, and more. Use equations, counting, addition, and multiplication to create Fibonacci and golden rectangle art. Play with geometric shapes like spirals, hexagrams, and tetrahedrons. Learn about patterns and motifs used by cultures from all over the world, including Native American porcupine quill art, African Kente prints, and labyrinths from ancient Crete. Cook up some delicious math by making cookie tangrams, waffle fractions, and bread art. Take a creative path to mastering math with Math Art and Drawing Games for Kids!

Grab a pen and get tangled up in hours of relaxation anywhere! Art Drawing Games and Activities for Kids (Huge Activity Book to Prompt Creativity and Silly Drawings) is a perfect fit for your kids and your family. This book is jam-packed with fun drawing games, tutorials, and activities that will boost your child's creativity. There are many one-player games as well as games that the entire family can play together. However, beware, a side-effect of this drawing book might be a lot of giggling and silliness from both you and your kids. Some of the games and activities that are included in this book are drawing prompts, a drawing hangman game (a twist on the normal hangman game), a scribble transformation game, Zentangles, drawing cootie catchers game, dice rolling drawing game, word-search drawing game, turning letters and words into pictures, a symmetry game, cube puzzle drawing, drawing the missing parts game, finishing the drawing game, combination creature game, shared drawing game, 3 cards game, face picking game, drawing Simon Says, as well as more drawing games and activities. There are also some folding, cut-out, and poking activities that will keep the kids excited. This book is a great way for kids to stay entertained during long car rides, during long restaurant waits, as well as any other time when your children need something to do. This book will spark their creativity and will provide hours and
