There is an art to studying. Anyone one can "study," but few truly learn the art. Drew Case's insightful new guide to academic achievement, *The Keys to Success*, provides the tools you need for a lifetime of accomplishment. The author's fifteen years of classroom instruction have helped shape this handbook into a fun and easy-to-read compilation that teaches the skills required for successful learning, studying, and test taking. Over the past decade and a half, the strategies laid out in *The Keys to Success* have been shown to help all types of students achieve their maximum potential time and time again. The lessons learned, however, don't simply apply to college students. Instead, anyone wishing to acquire and apply new skills can benefit from Case's expertise. Originally conceived as a short addendum to the syllabi in his college science and nursing classes, Case quickly realized just how much most students needed a no-nonsense guide to academic achievement. As a result, he modified his original materials that resulted in the comprehensive book that is *The Keys to Success*. So whether one is a K-12 or college student, acquiring new job skills, or even a member of the military, the potential knowledge this educative guide offers is endless. Case travels around the state presenting to various K-12 schools and colleges. Case is available for speaking and presentations. Please contact him at drew.case@doane.edu for more information.

Comments/Reviews While reading your book, I found myself reflecting on my college years and my laborious study methods. I wish I had read your book back then! -Bill, CreateSpace Editor This book has been a huge help to me as a high school student. I recently took an ACT preparation class and most everything covered in the class was covered in this book. It taught me how to get through tests quickly, but very efficiently and systematically. It has also taught me different methods for studying and I have found these tips very helpful. I highly recommend this book. - Isabel, High School Student Something's just need a refresher. This book provides all that and more!!! I would highly recommend this to anybody embarking on furthering their educational goals. - College Staff I think the book is great! I love the common sense approach in a day when "common sense" is rare. Your layout is clean and fresh. There is a nice flow. I found THE KEYS TO SUCCESS to be caring, upfront and a GPS to success. - College Bookstore Manager Coming back to school after many years of raising a family and having a career I felt so rusty and lost. This book literally saved my grade. If you have concerns about how to study and do well in college, this book is a MUST! Thanks Mr. Case - Angie, College Student I had Mr. Case for my pharmacology class and he gave us a copy of the unprinted book to see if we liked it. LOVED IT!!!! Seriously, I don't know how I could have passed this class without it. Why didn't you have this book available when I took your anatomy class? - Sam, College Student

Colorful early reader's weather book, great for that budding learner in K-1st level. Two reproducible activity sheets for parents and teachers as addendums. Rhythmic, rhyming, and teaches simple weather and season words. Beautiful color illustrations, and letter sizing for earliest readers. Great repetition of high frequency words. A must for every early literacy experience! High frequency and new vocabulary list of 24 introduced words on last page of the book for good measure.

All Melinda Martin wants out of life is an endless supply of ice cream, a man like Clark Kent, and for all of her Driver's Education students to pass. Everyone knows she has a love of food, an obsession with Superman, and she's stubborn and sarcastic, which probably hasn't helped her love life. When one of her students is in danger of failing, she decides it's time to contact his guardian, his uncle Charlie. Charlie Archer is the new guy in town, converting the old movie theater into a fancy restaurant. The movie theater means a lot to Melinda. It's where she first fell in love with Superman, and she wants to hate him for changing it. But when she meets him and sees that he bears a striking resemblance to a certain flying superhero, she is instantly smitten, and he is with her as well, sarcasm and all. Charlie comes from an old Hollywood family, and with that comes the perks and the pitfalls. As Melinda and Charlie's relationship heats up, they find themselves dealing with some interesting situations, such as a stray puppy, a Hollywood scandal, and a crazy ex-girlfriend, just to name a few. It's been said the road to love is filled with twists and turns, but this road may have a few more curves than normal!

Provides a highly interactive presentation of the theory, research, and skills of interpersonal communication with strong, integrated discussions of diversity, ethics, workplace issues, and technology. Verbal Virtuoso: Guide To Improve Your Reading Comprehension (Grades 7-12/College Students/Graduate Students/Adults) is an innovative step-by-step program that will improve your reading comprehension for any standardized reading exam. This book will enhance just about any person's reading skills by offering a reading technique to locate key points quickly and effectively. This system was originally designed to help students score higher on the reading section of the MCAT(r) (Medical College Admission Test), one of the most difficult standardized exams administered in the United States. As this workbook has helped many students score higher on the MCAT since 2009, we have decided to offer this version of the workbook to any student and adult who wishes to improve their reading abilities or score higher on any reading exam. If you wish to improve your reading abilities or reading comprehension exam scores, then this workbook will help you. The Verbal Virtuoso technique provides you with an easy and efficient system to analyze every one of the author's arguments presented in any reading passage. By asking yourself two very important questions upon reading each statement in the passage, you will develop a thorough understanding of the author's views and biases, as these simple questions force you to analyze the author's purpose in writing each individual sentence. With clear insight into how the author presents his or her argument to the reader and defends these arguments, answering the passage questions correctly will be an easier and clear-cut task. By enhancing your speed to pinpoint these arguments, you will also learn to understand the author's key points in the passage quicker than other readers who read without a technique. Furthermore, we provide you with a systematic thinking technique that ensures you read each statement and THINK about the statement's meaning and purpose within the passage. If you have trouble focusing as you read complex material, this technique may help you maintain focus as long as you keep asking yourself our two questions. We understand it is difficult to read through dense and boring passages, so we do not teach our students to read for enjoyment. Rather, we teach you to systematically analyze every statement, searching for any sign of argument. This investigation of the passage will naturally help you answer the most time-consuming and thought-provoking questions presented on reading exams (i.e. "Which of the following answer choices would most weaken the author's views presented in the passage?" or "Which of the following choices would the author most likely criticize?") Thank you, and we hope you enjoy this educational experience!

For the past twenty years, Brett Bernard has been researching successful methods used by math teachers and has come to an important conclusion: The most important piece in being an effective math teacher is effectively engaging your students. This book will show you how to achieve Total Math Engagement in your K-6 classroom. It is loaded with strategies, examples, and techniques based on the E.P.I.C. engagement model.
