entrepreneurs. In *The Bear Necessities of Business*, she reveals how she built this amazing global business from the ground up, while arming you with the tools you need to start, run, and market your own company in today's tough competitive environment. While primarily drawing on real-life experiences from Build-A-Bear Workshop®, Clark also offers wisdom gained throughout her entire thirty-plus-year career, including lessons and examples from some of the other great companies that do so much right. Straightforward and accessible, *The Bear Necessities of Business* is divided into seven parts, each built around an essential element that will allow you to stand apart from the crowd. The short, accessible chapters show you everything you need to: Get your business started
