"Written in India (100AD-600AD), the Kama Sutra is ultimately about wisom and our creative cultivation as complete individuals with healthy, intimate relations with others. It covers the three aims of life, virtue (dharma), prosperity (artha), and love (kama). The Kama Sutra is a philosophical work that discusses sexuality and its cultivation openly and honestly. It is not significantly influenced by western Christian morals that dominate western attitudes on sex. The Kama Sutra sex positions are the most famous part of the book. This edition is beautifully illustrated with 25 full page pictures of all the Kama Sutra sex positions."-- back cover.

The Kama Sutra is an ancient Indian Hindu text written by V tsy yana. It is widely considered to be the standard work on human sexual behaviour. A portion of the work consists of practical advice on sexual intercourse. "K ma" means desire including sexual desire, and "s tra" literally means a thread or line that holds things together."
