Jane has had her baby and is living along with him in a country cottage. Her idyllic time there is soon complicated by the arrival of Toby, the love of her life, and her friend Dorothy. The two women start up a shop in the village, and it is their changing fortunes and feelings for the men on whom so much of their lives are staked which form the core of this funny and vividly-told novel. *The Backward Shadow* is a worthy sequel to *The L-Shaped Room*

The L-shaped room is in a squalid house in Fulham, to which Jane Graham, pregnant and unmarried, retreats from the world. She is drawn back into life by the kindness of her oddly assorted neighbours.

Jane Logan is a stranger to Berlin and she finds the city alive and echoing with the ghosts of its turbulent past. At six months pregnant, she's instructed by her partner Petra to rest and enjoy her new life in Germany. But while Petra is out at work, Jane begins to feel uneasy in their chic apartment. Screams reverberate through the walls, lights flicker in the derelict building that looms over the yard, a shadow passes on the stairs . . . Jane meets a neighbour's daughter, a girl whose life she tries to mend, but her involvement only further isolates her. Alone and haunted, Jane fears the worst . . . but the worst is yet to come. Louise Welsh, the acclaimed author of *The Cutting Room*, delivers another masterful suspense novel. *The Girl on the Stairs* is a powerful psychological thriller packed with twists and turns to keep you reading well into the night. Read it, or be left in the dark.
