This book begins with the key of A major and immediately introduces right-hand accompaniment concepts before moving on to the relative minor key of F#. Notes in the first position on the first four strings are reviewed before approaching scales, chords and etudes in keys of B-flat major/G minor, E-flat major/C minor, and A-flat major/F minor. Includes theory lessons regarding intervals, harmonized scales, triads, expression marks and syncopation plus techniques of glissando, ascending and descending slurs, and tremolo. Written in standard notation only.

Grade 2 explores more complex rhythms in carefully graded solo and duet settings with parallel lessons in music theory- just enough to keep students up to speed in terms of what they are expected to play. The book begins with a review of playing in the key of C major but soon goes to F major/D minor followed by D major/B minor. Written in standard notation only. A companion double CD set is available for this book.

The Mel Bay Modern Guitar Method Complete Edition is known worldwide for the incredible array of music presented, the thoroughness of educational music content and ease of understanding. The method contains hundreds of solos, duets, picking studies, chord etudes, position studies, scale and technique etudes, lessons in theory and harmony and much more! Every key and every position on the guitar fingerboard is thoroughly taught. Music is presented by many of the great master composers such as Bach, Chopin, Tchaikovsky, Handel, Grieg and also renown guitar composers such as Sor, Tarrega and Carcassi. The styles of music presented in this exhaustive course range from Early Music to Jazz to Bluegrass and Country to Rock. This method will equip any guitarist to perform the demands of modern music with ease and will transition the guitar student from beginner to virtuoso. This comprehensive method contains all of the music found in the Mel Bay Modern Guitar Method Expanded Edition volumes 1 through 7 and comes with extensive online audio and video

Complete in three volumes, this widely used method series presents classical guitar instruction in a logical and clear manner. The student is thoroughly grounded in left and right hand technical studies and is acquainted with the works of the masters. In this volume, the student will be introduced to the Third, Fourth, Fifth, Seventh and Ninth Positions. There is complete treatment for the development of these positions including etudes, solos, duets, and chord studies. This book gives much attention to keys seldom presented in detail in other methods, namely the keys of E flat, C Minor, A flat, F Minor, D flat, B flat Minor, G flat, E flat Minor, F sharp, and D sharp Minor. This volume will be a valuable asset to the student desiring to master these more difficult positions and keys. Notation only. the

companion CD demonstrates most of the exercises and solos in the book at performance tempo.

All seven volumes of Mel Bay's original, internationally acclaimed Modern Guitar Method series are included in this single, deluxe master compilation. No other comparable method exists for the guitar! As Mr. Bay perceived the need for a guitar method that would effectively teach beginning guitarists to read music, this method is intentionally written in standard notation only, providing just enough music theory to understand what the student is required to play at any given point. Although fingerstyle technique can be applied to the pieces and studies, this book is specifically tailored for the plectrum-style player. Contains hundreds of beginner through advanced solos and duets in all fretboard positions and all keys, plus all four-note rhythm chord formations on high, middle and low sets of adjacent strings. This edition also includes additional outstanding plectrum guitar solo arrangements not found in the original seven volumes. All in all, this outstanding method leads the student to total mastery of the fretboard.

Rock Guitar for the Young Beginner was written with the young student in mind. This book provides information and etudes covering the basic essentials of rock guitar. The hip songs and etudes make the learning fun. Subjects such as Open Chords, Power Chords, Barre Chords, Rock Scales, Arpeggios, and Slash Chords are all presented with fun songs and graded learning. The accompanying CD, featuring a great rhythm section, is fun to jam with and allows students to hear how the etudes should be played.

Covers basic notes on the guitar, single note playing, thirds, triads, chords, chord progressions.

This book/CD presents blues melody and recorded back up improvising track for these nine blues tunes: Franky's Place, Bullet Train, Long Gone, Just Can't Take It, Storm rising, Hurtin' Bad, Texas Shuffle, Honky-Tonk Woman, and Loose Change. Two improvising scale patterns are shown for every tune, and each selection tune presents a different blues style for improvising. Blues tunes are presented in the keys of G, F, Dm and D. You can also play along with the companion CD which features an excellent blues band playing all of the back-up parts.

With the thoroughness of a book by Mel Bay, this method presents mandolin technique and note-reading in a progressive, step-by-step fashion. Given the diverse applications of this versatile instrument, this method was carefully written to build the musicianship and technique needed to play both classical and contemporary mandolin styles. Music theory concepts and additional playing techniques are introduced as needed. Exercises and tunes are presented in all keys, many in duet format to be played by teacher and student. In notation only.
