Dhirubhai Ambani's life is a rags-to-riches story, from Bombay's crowded pavements and bazaars to the city's extravagantly wealthy social circles where business tycoons, stockmarket speculators, smugglers, politicians and Hindi film stars mingle, make money, make and break marriages and carry out prolonged feuds. This is the story of a rising capitalist group in post-independence India.

Dhirubhai Ambani's life is a rags-to-riches story, from Bombay's crowded pavements and bazaars to the city's extravagantly wealthy social circles where business tycoons, stockmarket speculators, smugglers, politicians and Hindi film stars mingle, make money, make and break marriages and carry out prolonged feuds. This is the story of a rising capitalist group in post-independence India. Until the arrival of Ambani, and now more like him, India's big business scene was dominated by a few industrial houses from British times. Ambani's Reliance group has risen to rival these houses in just 26 years since its foundation. By 1995, the group had 2.6 million investors, one in every eight Indian sharemarket investors, and is now so large that it has to hold its annual general meetings in football stadiums. Along with expansion, however, have come the intricate political connections, a whole raft of corruption charges and a rollercoaster of booms and crashes for Ambani and his company. This study shows how capitalism emerges by fair means and foul in the new industrial countries of the Third World and explores the life of an Asian tycoon.

Prime minister of India Manmohan Singh has been accused of changing ministerial portfolios at the behest of the Reliance group. There have been claims that the group deliberately 'squatted' on reserves of natural gas and curtailed production in anticipation of higher prices that are administered by the government, to the detriment of the interests of the country's people. Spokespersons of the group deny these allegations and contend that gas output from the Krishna-Godavari basin came down on account of unforeseen adverse geological surprises. Sections within the Indian government do not buy these arguments. The Comptroller

and Auditor General of India has alleged, among other things, that the contract between the government and Reliance Industries Limited is deeply flawed, thereby encouraging excessive capital expenditure and lowering potential benefits to the exchequer. With painstaking research, a meticulous perusal of press reports, as well as a few surprising exclusives, Gas Wars highlights cases of crony capitalism that allowed the Reliance group to blatantly exploit loopholes which were consciously retained in the system to benefit it. The book points out how, even when laws and policies appeared fair, rational, and reasonable, the way in which these rules and procedures were framed and implemented by bureaucrats acting at the behest of their political masters exposed the deep nexus between business and politics in India. Even as Gas Wars tells the story of how a corporate conglomerate, in this case the country's largest, has benefited from the way government policies are structured, it lays bare the alarming facts of a natural disaster waiting to happen due to the ruthless exploitation of the country's natural resources in order to swell the fortunes of a few. The book also highlights the examples of those within the government establishment who have refused to be intimidated by the rich and the powerful, and who have against all odds valiantly attempted to uphold the interests of the people of India.

An ordinary snapshot causes a mother's world to unravel in this shocking thriller from the bestselling author and creator of the hit Netflix drama *The Stranger*. When Grace Lawson picks up a newly developed set of family photographs, there is a picture that doesn't belong—a photo from at least twenty years ago with a man in it who looks strikingly like her husband, Jack. And though Jack denies it's him, he disappears that night, taking the photo with him. Now, to save her family from a fierce, silent killer who will stop at nothing to get the photo, Grace must confront the dark corners of her own tragic past....

**NOW THE HALLMARK MOVIES & MYSTERIES ORIGINAL TIME FOR ME TO COME HOME FOR CHRISTMAS!** The fireplace is lit, the snow is falling, and sleigh bells echo in the distance—it's Christmas, and it's time to come home in this charming holiday novel based on Dorothy Shackleford and Blake Shelton's hit song. Thirty-five-year-old Heath Sawyer has finally made it to the big-time as a country music star. After a year full of the kind of success he could only dream of, it's December 23, and he's headlining a sold-out show at Madison Square Garden. It's only as the lights on the stage go down and the Christmas lights outside come on that Heath realizes there's just one place he wants to be for the holidays: back home in Okmulgee, Oklahoma. But journeying anywhere on Christmas Eve is never easy, and with flight delays, inclement weather, and the unexpected company of a feisty young woman who's about to become his traveling companion, Heath will need a Christmas miracle to make his way home in time to open presents. Filled with touching anecdotes inspired by the real holiday memories of Blake Shelton and Dorothy Shackleford, *Time for Me to Come Home* is a sweet and funny story that celebrates the spirit of Christmas and the true meaning of finding your way back home. “It's funny how going back can get you back to where you belong. It's the difference between just a melody and my favorite Christmas song.”

Recounts the infamous Jeffrey MacDonald murder case and how it reflects shortcomings in the justice system, drawing on court transcripts, lab reports, and original interviews to consider the plausibility of MacDonald's innocence.

**FEATURES EXCLUSIVE INTERVIEW with SUBRATA ROY EVERYTHING YOU WANTED TO KNOW ABOUT SUBRATA ROY AND SAHARA INDIA PARIWAR, BUT WERE AFRAID TO ASK...** Sahara: The Untold Story is based on painstaking research to demystify India's most secretive and largely unlisted conglomerate, the Sahara India Pariwar. It also delves into the group's ongoing legal battle with the market regulator. Entrepreneur Subrata Roy, the guardian angel of the group, whose feet are touched by everybody in the Pariwar, wants to reach out to a million lives and feels impeded and shuttered in by regulations. So the clash with the regulators was inevitable. But when a regulator slams one door, maverick Roy opens another. This play has been on since 1978, when Sahara was set up. Roy is well known for glamour and his association with film stars, cricketers and politicians. He exudes patriotism, with a statue of

Bharat Mata (the presiding deity of the group) on a chariot driven by four fierce-looking lions adorning his headquarters in Lucknow. He is the Robin Hood of a country where only 35% of the adult population has access to formal banking services. This India and its millions of illiterate poor depositors stand in awe and admiration of him. But does he also exploit them? Do these poor people actually keep money with him or are they fronting for others? EXCERPT FROM THE SAHARA INDIA PARIWAR DISCLAIMER ' The book at best can be treated as a perspective of the author with all its defamatory content, insinuation and other objections, which prompted us to exercise our right to approach the court of law in order to save the interest of the organization and its crores of depositors and 12 lakh workers. ' TamalBandyopadhyay, a deputy managing editor of Mint, is one of the most respected business journalists in India. Tamal has kept a close watch of the financial sector for over a decade and a half and has had a ringside view of the enormous changes in Indian finance and banking over this period. His first book, A Bank for the Buck, released by P Chidambaram in November 2012, has been a non-fiction bestseller.

A comprehensive and compelling portrait of ancient India In Gem in the Lotus, Abraham Eraly, author of The Last Spring, the best-selling and critically acclaimed history of the Mughals, identifies and explores the significant milestones in the evolution of ancient India. Beginning with an enquiry into the enigma that was the Indus Valley civilisation, he writes of the progression from the Vedic Aryan culture to the age of religious and philosophical ferment, culminating in the tenets of Jainism; the founding and consolidation of Buddhism; Alexander's advance into India; the rise of the Mauryan empire; and Ashoka's unusual political career. In the final section of the book, he describes the -clockwork state' of the Mauryas depicted in Kautilya's Arthashastra and in ancient Greek accounts.

The diary arrived addressed to me, bearing a message: We live forever through our stories. Tell ours. And so began the author ' s journey into the life and legends of the Naga — a forgotten people living in the far north-east of India, struggling to survive in the modern world. An extraordinarily powerful and evocative literary work that traverses new ground in the hinterland between biography and mythology. Nagaland is the story of Augustine and of the Naga people. With sensitively poetic prose, Doherty deftly draws the reader into worlds of parallel realities. The love story, desperate and damned, destined for tragedy; forged and upheld against the wishes of family and the dictates of culture, with a backdrop of violence and reprisals amidst the brutality of communal conflict. Alongside this is the telling of Augustine ' s childhood story, growing up in the beautiful mountain state of Nagaland where the traditional way of life, loyalties and beliefs collide with modern imperatives that, for many, lead inexorably to poverty, dislocation, drug addiction, disease and despair. Seamlessly woven through each story, Naga legends and myths connect these disparate worlds, the source of profound insights that are simultaneously confronting and transcendent. Poignant and profound, the reader is left with a yearning nostalgia for a past where eternal truths prevailed, to be gleaned from ancient fables and sages; where a people lived in communities richly endowed with cultural and spiritual certainties, and were valued members of large family and tribal networks. Except, of course, if you choose not to follow the rules... 'A few years ago a hand written diary from Nagaland arrived in Ben Doherty ' s mailbox, ' Its pages...overfilled, and seemingly without order, with drawings of birds and mountains and flowers...and scrawled verses of poetry ' . The poems were written in Tangkhul, one of Nagaland ' s many dialects. The final words were in English and read: ' We live forever through our stories. Tell ours. ' In writing Nagaland, Doherty has managed to do that splendidly.' — Erich Mayer, ArtsHub

Having failed English, eighteen-year-old Steve York must generate a paper to get credit and chooses to write about his years in high school, during which he experienced his first love and struggled with family relationships.
