Elliot lives in America, and Kailash lives in India. They are pen pals. By exchanging letters and pictures, they learn that they both love to climb trees, have pets, and go to school. Their worlds might look different, but they are actually similar. Same, same. But different! Through an inviting point-of-view and colorful, vivid illustrations, this story shows how two boys living oceans apart can be the best of friends.

Exactly the Same...But Different By: Dr. Rick Miller PhD Although there has been a vast amount of information gathered on the history of the Earth, there are still many things that have yet to be discovered. To help spread more knowledge on the physical and biological history among our population, Miller outlines some of this information. This book discusses alternative explanations for Earth's history that will motivate you to learn more information.

Using cutting-edge theory regarding trade networks and diaspora, this book offers an innovative analysis of Sephardic merchants in 17th c. Amsterdam's trade. Challenging views that Sephardic success stemmed from endogamous business relationships, it shows that Sephardic merchants traded with non-Sephardim.

Each of the four levels comprises about 80 hours of class work, with additional time for the self-study work. The Teacher's Book contains all the pages from the Classroom Book, with interleaved teaching notes including optional activities to cater for different abilities. There is a video to accompany the Beginner, Pre-intermediate and Intermediate levels. Each video contains eight stimulating and entertaining short programmes, as well as a booklet of photocopiable activities. Free test material is available in booklet and web format for Beginner and Pre-intermediate levels. Visit www.cambridge.org/elt/liu or contact your local Cambridge University Press representative.

NEWEST ENGLISH RIDDLES Q: What are two things people never eat before breakfast? A: Lunch and supper.

_____ Q: What has two hands and a face, but no arms and legs?

The Anthem Handbook of Screen Theory offers a unique and progressive survey of screen theory and how it can be applied to a range of moving-image texts and sociocultural contexts. Focusing on the "handbook" angle, the book includes only original essays from established authors in the field and new scholars on the cutting edge of helping screen theory evolve for the twenty-first-century vistas of new media, social shifts and geopolitical change. This method guarantees a strong foundation and clarity for the canon of film theory, while also situating it as part of a larger genealogy of art theories and critical thought, and reveals the relevance and utility of film theories and concepts to a wide array of expressive practices and specified arguments. The Anthem Handbook of Screen Theory is at once inclusive, applicable and a chance for writers to innovate and really play with where they think the field is, can and should be heading.

Tens of thousands of readers have enjoyed Mike's Worthless Opinions (www.mikesworthlessopinion.com) over the past five years; his refreshingly simple way of looking at life has promoted patience, tolerance, and good will worldwide. Mike reveals his simple solutions to complicated issues with knowledge gained by real experience. Having traveled to over one hundred countries, educated by Jesuits, and his extensive business success, Mike's opinions reveal amazing logic and truth. Same Same, but Different is a continuing collection of issues we all face, and the follow up book to Mike's, *Memoirs of a White Man*, a book that deals with man's social struggles, mistakes, and the lessons we learn from them. Sit back and enjoy; you may find out that Mike's opinions, are not that worthless after all.
