In Robert Altman's hands, the mystery is the jumping-off point for a perceptive social satire, and the joke is that no one on screen is all that interested in the murder mystery either. No one seems to mourn the dead man, and the fatuous detective (a hilarious Stephen Fry) sent to solve the case seems resigned to the notion that the murder will go unsolved.

A murdered crime writer. An idyllic Yorkshire town. Can DCI Oldroyd separate fact from fiction? A famous writer is found murdered at the Victorian baths in the Yorkshire town of Harrogate. In a crime worthy of one of his novels, Damian Penrose, who was appearing at the town's crime writing festival, has been ruthlessly strangled. But with no trace of the murderer and no apparent means of escape, how did the killer simply vanish from the scene of the crime? There's only one mind capable of unlocking this mystery: DCI Jim Oldroyd. But as he and his team quickly discover, while Penrose was popular with the reading public, he had made plenty of enemies. Feuds over money, accusations of plagiarism, a string of affairs...His route to the top left a trail of embittered rivals--and suspects. But which of them was willing to commit murder? When Penrose's shocking death proves to be just the first of many, it becomes clear to Oldroyd that he is dealing with a calculating criminal hell-bent on revenge. He must find and bring them to justice. Before the truth becomes more chilling than fiction...

When it comes to Christmas stories, one typically thinks of those that embody the spirit of the season, such as Charles Dickens's A Christmas Carol. The Yuletide-themed murder mystery is not usually the first thing that comes to mind. A classic country-house murder mystery, The Santa Klaus Murder begins with Aunt Mildred declaring that no good could come of the Melbury family Christmas gathering at their country residence Flaxmere. So when Sir Osmond Melbury, the family patriarch, is discovered--by a guest dressed as Santa Klaus--with a bullet in his head on Christmas Day, the festivities are plunged into chaos. Nearly every member of the party stands to reap some sort of benefit from Sir Osmond's death, but Santa Klaus, the one person who seems to have every opportunity to fire the shot, has no apparent motive. Various members of the family have their private suspicions about the identity of the murderer, but in the midst of mistrust, suspicion, and hatred, it emerges that there was not one Santa Klaus but two.

This traditional brand-new British mystery series is an intriguing departure for bestselling romantic suspense author Stella Cameron. It introduces rural inn owner and amateur sleuth Alex Duggins. Following the breakdown of her marriage, Alex Duggins has returned to her picturesque hometown of Folly-on-Weir in the Cotswolds in order to start afresh. But you can` t outrun the past, as Alex is about to discover when she stumbles across a frosted corpse buried in the snow. The subsequent murder investigation threatens to unearth old secrets -- including Alex` s own. As Folly-on-Weir braces for a chilling winter and Alex finds herself top of the police` s suspect list, she determines to clear her name and find the real murderer. But as she begins to peel back the layers of deception that have long-concealed one of the town` s darkest secrets, she herself becomes the target of a ruthless killer who has nothing left to lose. Will Alex be the next snow-covered body to be found in the beautiful hills above the town?

BY THE TIME Detective Inspector Skelgill becomes the tenth person to be stranded on secluded Grisholm ('Pigs' Isle' in Old Norse) where a writers' retreat is taking place, one of the assembled literati is already dead. Though natural causes seem to provide the explanation, a second apparently accidental death and a series of inexplicable experiences convince Skelgill that a cold and calculating killer is at large. Set around Derwentwater in the English Lake District, this traditional whodunit sees Skelgill and his team striving to fathom a mystery that his superior officer suspects may be no more than his imagination at play.

On his return from South Africa, Charles Knox is invited to spend the weekend at the country home of Sir Neville Strickland, whose beautiful wife Rosamund was once Knox's fiancée. But in the dead of night Sir Neville is murdered. Who did it? As suspicion falls on each of the house guests in turn, Knox finds himself faced with deception and betrayal on all sides, and only the enigmatic Angela Marchmont seems to offer a solution to the mystery.
