Into the Crooked Place begins a gritty two-book YA fantasy series from Alexandra Christo, the author of To Kill a Kingdom. The streets of Creije are for the deadly and the dreamers, and four crooks in particular know just how much magic they need up their sleeve to survive. Tavia, a busker ready to pack up her dark-magic wares and turn her back on Creije for good. She 'll do anything to put her crimes behind her. Wesley, the closest thing Creije has to a gangster. After growing up on streets hungry enough to swallow the weak whole, he won 't stop until he has brought the entire realm to kneel before him. Karam, a warrior who spends her days watching over the city 's worst criminals and her nights in the fighting rings, making a deadly name for herself. And Saxony, a resistance fighter hiding from the very people who destroyed her family, and willing to do whatever it takes to get her revenge. Everything in their lives is going to plan, until Tavia makes a crucial mistake: she delivers a vial of dark magic—a weapon she didn 't know she had—to someone she cares about, sparking the greatest conflict in decades. Now these four magical outsiders must come together to save their home and the world, before it 's too late. But with enemies at all sides, they can trust nobody. Least of all each other.

The capable, confident, and occasionally ruthless heroine of Daughter of the Pirate King is back in this action-packed sequel that promises rousing high seas adventures and the perfect dash of magic. Alosa's mission is finally complete. Not only has she recovered all three pieces of the map to a legendary hidden treasure, but the pirates who originally took her captive are now prisoners on her ship. Still unfairly attractive and unexpectedly loyal, first mate Riden is a constant distraction, but now he's under her orders. And she takes great comfort in knowing that the villainous Vordan will soon be facing her father's justice. When Vordan exposes a secret her father has kept for years, Alosa and her crew find themselves in a deadly race with the feared Pirate King. Despite the danger, Alosa knows they will recover the treasure first . . . after all, she is the daughter of the Siren Queen. In Daughter of the Siren Queen, Tricia Levenseller brings together the perfect mix of thrilling action, tense battle scenes, and a heart-pounding romance.

City of Spells, the follow-up to Alexandra Christo's gritty YA fantasy, Into the Crooked Place, finds the world on the brink of war and four unlikely allies facing sacrifices they had never imagined. After the loss of Wesley and the horrifying reveal that Zekia is helping the Kingpin of her own free will, Tavia, Saxony, and Karam flee to Saxony's home to rebuild their rebellion. Meanwhile, trapped in the Kingpin's darkness, Wesley must fight against the deadly magic that invades his mind and find a way back to his friends before it's too late. As the Kingpin's dark magic spreads and his army conquers Creije, these four unlikely friends have to decide just how far they 'll go—and how much they are willing to sacrifice—to win. Praise for Into the Crooked Place: "With its gangland details, creative magical caste system and surprisingly brutal characters, Into the Crooked Place is very much its own thing. And that thing will likely be a story you can 't put down." —Culturess
