A Drink Before We Die: A Low Town Short, Low Town (Low Town, #1), Tomorrow, the Killing (Low Town, #2), and She Who Waits (Low Town, #3)

Low Town Series by Daniel Polansky - Goodreads

'The Straight Razor Cure' was Polansky's debut novel, and was a gritty and gripping introduction to the Low Town series. 'Tomorrow the Killing' is even more impressive than its predecessor: it is dark and compelling and delves more deeply into Warden's past, focusing particularly on his service during the Great War.

The fresh, astonishing follow-up to the acclaimed Low Town, again combining steely hardboiled crime with dark fantasy. Once he was a hero of the Great War, and then a member of the dreaded Black House. Now he is the criminal linchpin of Low Town. His name is Warden. He thought he had left the war behind him, but a summons from up above brings the past sharply, uncomfortably, back into focus. General Montgomery's daughter is missing somewhere in Low Town, searching for clues about her brother's murder. The General wants her found, before the stinking streets can lay claim to her, too. Dark, violent, and shot through with corruption, this book is a fantastic successor to a much-heralded fantasy debut.

Here, the criminal is king. The streets are filled with the screeching of fish hags, the cries of swindled merchants, the inviting murmurs of working girls. Here, people can disappear, and the lacklustre efforts of the guard ensure they are never found. Warden is an ex-soldier who has seen the worst men have to offer; now a narcotics dealer with a rich, bloody past and a way of inviting danger. You'd struggle to find someone with a soul as dark and troubled as his. But then a missing child, murdered and horribly mutilated, is discovered in an alley. And then another. With a mind as sharp as a blade and an old but powerful friend in the city, he's the only man with a hope of finding the killer. If the killer doesn't find him first. WINNER OF THE PRIX IMAGINALES AWARD FOR BEST FOREIGN NOVEL IN 2012.

The third novel in the brilliant dark fantasy Low Town series Low Town: the worst ghetto in the worst city in the Thirteen Lands. Good only for depravity and death. And Warden, long ago a respected agent in the formidable Black House, is now the most depraved Low Town denizen of them all. As a younger man, Warden carried out more than his fair share of terrible deeds, and never as many as when he worked for the Black House. But Warden's growing older, and the vultures are circling. Low Town is changing, faster than even he can control, and Warden knows that if he doesn't get out soon, he may never get out at all. But Warden must finally reckon with his terrible past if he can ever hope to escape it. A hospital full of lunatics, a conspiracy against the corrupt new

## Online Library Tomorrow The Killing Low Town 2 Daniel Polansky

king, and a ghetto full of thieves and murderers stand between him and his slim hope for the future. And behind them all waits the one person whose betrayal Warden never expected. The one person who left him, broken and bitter, to become the man he is today. The one woman he ever loved. She who waits behind all things.

They enslaved humanity three thousand years ago. Tall, strong, perfect, superhuman and near immortal they rule from their glittering palaces in the eternal city in the centre of the world. They are called Those Above by their subjects. They enforce their will with fire and sword. Twenty five years ago mankind mustered an army and rose up against them, only to be slaughtered in a terrible battle. Hope died

## Online Library Tomorrow The Killing Low Town 2 Daniel Polansky

that day, but hatred survived. Whispers of another revolt are beginning to stir in the hearts of the oppressed: a woman, widowed in the war, who has dedicated her life to revenge; the general, the only man to ever defeat one of Those Above in single combat, summoned forth to raise a new legion; and a boy killer who rises from the gutter to lead an uprising in the capital. Those Above is the first of an extraordinary new fantasy epic by the author of the acclaimed Low Town series that will sweep the reader into a wholly alien, wholly recognizable world of rebellion and revenge, of love and of death, of intrigue and pitiless war.

A powerful magician returns to New York City and reluctantly finds himself in the middle of a war between the

## Online Library Tomorrow The Killing Low Town 2 Daniel Polansky

city ' s two most powerful witches. “ It would help if you did not think of it as magic. M certainly had long ceased to do so. ” M is an ageless drifter with a sharp tongue, few scruples, and the ability to bend reality to his will, ever so slightly. He ' s come back to New York City after a long absence, and though he ' d much rather spend his days drinking artisanal beer in his favorite local bar, his old friends—and his enemies—have other plans for him. One night M might find himself squaring off against the pirates who cruise the Gowanus Canal; another night sees him at a fashionable uptown charity auction where the waitstaff are all zombies. A subway ride through the inner circles of hell? In M ' s world, that ' s practically a pleasant diversion. Before too long, M realizes he ' s landed in the middle of a

## Online Library Tomorrow The Killing Low Town 2 Daniel Polansky

power struggle between Celise, the elegant White Queen of Manhattan, and Abilene, Brooklyn 's hip, free-spirited Red Queen, a rivalry that threatens to make New York go the way of Atlantis. To stop it, M will have to call in every favor, waste every charm, and blow every spell he 's ever acquired—he might even have to get out of bed before noon. Enter a world of Wall Street wolves, slumming scenesters, desperate artists, drug-induced divinities, pocket steampunk universes, and demonic coffee shops. M 's New York, the infinite nexus of the universe, really is a city that never sleeps—but is always dreaming.

For centuries beyond counting, humanity has served the Others, god-like Eternals who rule from their cloud-capped

## Online Library Tomorrow The Killing Low Town 2 Daniel Polansky

mountain-city, building a civilization of unimagined beauty and unchecked viciousness. But all that is about to change. Bas Alyates, grizzled general of a thousand battles, has assembled a vast army with which to contend with the might of Those Above. Eudokia, Machiavellian matriarch and the power behind the Empty Throne, travels to the Roost, nominally to play peacemaker - but in fact to inspire the human population toward revolt. Deep in the dark byways of the mountain's lower tiers, the urchin Pyre leads a band of fanatical revolutionaries in acts of terrorism against their inhuman oppressors. Against them, Calla, handmaiden of the Eternals' king, fights desperately to stave off the rising tide of violence which threatens to destroy her beloved city. The story begun in *Those Above* comes to a stunning conclusion

## Online Library Tomorrow The Killing Low Town 2 Daniel Polansky

in this unforgettable battle for the hearts and minds of the human race, making The Empty Throne the most exciting epic fantasies of recent times.

They enslaved humanity three thousand years ago. Tall, strong, perfect, superhuman and near immortal they rule from their glittering palaces in the eternal city in the centre of the world. They are called Those Above by their subjects. They enforce their will with fire and sword. whiskers are twitching at the idea of evening the score.

PRAISE FOR THE BUILDERS "A living, breathing world of vivid, winsome characters hellbent on their blaze of glory and as unforgiving as a runaway train carrying all your friends over a cliff. I haven't cared about animals this much since Watership Down." — Delilah S. Dawson, author of Hit and Wicked as They Come "Nobody does dark like Polansky. The Builders is Redwall meets Unforgiven, combining the endearing wit of Disney's Robin Hood with all the grit and violence of a spaghetti western." — Myke Cole, author of the Shadow Ops series "If Sam Peckinpah and Brian Jacques had a strange peyote ritual and shared a collective dream, it might look something like this. Brutish, nasty, short — much like life — Polansky's The Builders is also funny, exciting,

## Online Library Tomorrow The Killing Low Town 2 Daniel Polansky

and extremely original. The Wild Bunch meets Watership Down." — John Hornor Jacobs, author of The Incorruptibles  
At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

M is a drifter with a sharp tongue, few scruples, and limited magical ability, who would prefer drinking artisanal beer to involving himself in the politics of the city. Alas, in the infinite nexus of the universe which is New York, trouble is a hard thing to avoid, and now a rivalry between the city's two queens threatens to make the Big Apple go the way of Atlantis. To stop it, M will have to call in every favor, waste every charm, and blow every spell he's ever acquired - he might even have to get out of bed before noon. Enter a world

## Online Library Tomorrow The Killing Low Town 2 Daniel Polansky

of wall street wolves, slumming scenesters, desperate artists, drug-induced divinities, pocket steam-punk universes, and hipster zombies. Because the city never sleeps, but is always dreaming.
