Panorama, 4th Edition is an introductory Spanish program offering 15 contemporary, thematic lessons to introduce students to an extensive view of the Spanish-speaking world. Its fresh, student-friendly approach, effective integration of video, and powerful online tools lead students to effective personalized communication.

It didn't take long for students around the world to realize that anatomy texts just don't get any better than Gray's Anatomy for Students. Only in its 2nd edition, this already popular, clinically focused reference has moved far ahead of the competition and is highly recommended by anyone who uses it. A team of authors with a wealth of diverse teaching and clinical experience has updated and revised this new edition to efficiently cover what you're learning in contemporary anatomy classes. An improved format, updated clinical material, and remarkable artwork by renowned illustrators Richard Tibbitts and Paul Richardson make anatomy easier than ever for you to master. Unique coverage of surface anatomy, correlative diagnostic images, and clinical case studies demonstrate practical applications of anatomical concepts. And, an international advisory board, comprised of more than 100 instructors, ensures that the material is accurate, up to date, and easy to use. Uses more than 1,000 innovative original illustrations— by renowned illustrators Richard Tibbitts and Paul Richardson—to capture anatomical features with unrivalled clarity, and makes body structures easy to locate and remember from one illustration to another through consistent use of color. Includes over 300 clinical photographs, including radiological images depicting surface anatomy and common clinical applications of anatomic knowledge. Presents an organization by body region that parallels the approach used in most of today's anatomy courses. Features conceptual overviews summarizing each body region's component parts, functions, and relationship to other bodily organs. Uses clinical cases to underscore the real-life relevance of the material. Features a rewritten abdomen section for greater clarity. Provides updates and revisions to clinical material to provide you with the absolute latest knowledge in the field. Includes expanded discussions of cranial nerves for added clinical relevancy. Uses a new internal design and presents an improved index for easier retrieval of information. Provides more information on the general aspects of anatomy via introduction chapter.

Takes programmers through the complete process of developing a professional quality game, covering a range of topics such as the key "gotcha" issues that could trip up even a veteran programmer, game interface design, game audio, and game engine technolog

Cineplex: Intermediate German Language and Culture Through Film is a communicative textbook for second-year German-language courses that uses engaging, authentic cultural materials: feature films from Germany. Each of the ten chapters in Cineplex focuses on a contemporary, critically-acclaimed film--on highly motivationally topics ranging from the West-German student movement to the German Democratic Republic to Turkish-German migrants to the Holocaust--that appeals to the needs of intermediate learners and their understanding of German-speaking culture. Designed for today's student, Cineplex is more than just a textbook--it is a space in which students can 'meet' the people of Germany through the big screen and experience German language and culture as it is performed in context. Features: * Vorbereitung und Hintergrund sections provide pre-viewing exercises that prepare students for a positive and effective viewing experience * Scene studies allow students to deal closely with the film through didacticized clips with pre- and post-viewing activities * Film-derived grammar exercises provides students with a thorough and traditional intermediate grammar trajectory while learning key grammar in context * Readings relate thematically to the film, ranging from poems and excerpts from literary prose to speeches and magazine articles * Ten appealing films are easily available (for links to purchase, visit focusbookstore.com) * A companion website with an auto-correcting workbook, links to film resources, and more is available on Focus Online Courseware (courses.pullins.com)
