Ten writers reflect on special childhood moments and provide individual explanations of how they became writers.

A grandfather exaggerates his stories to his young grandson about how much he ate when he himself was a child, how far he walked, and other aspects of his life then.

INSTANT NEW YORK TIMES BESTSELLER “Thank you to Sheila Nevins for putting all this down for posterity. Women need this kind of honest excavation of the process of living.” —Meryl Streep An astonishingly frank, funny, poignant book for any woman who wishes they had someone who would say to them, “This happened to me, learn from my mistakes and my successes. Because you don’t get smarter as you get older, you get braver.” Sheila Nevins is the best friend you never knew you had. She is your discreet confidante you can tell any secret to, your sage mentor at work who helps you navigate the often uneven playing field, your wise sister who has “been there, done that,” your hysterical girlfriend whose stories about men will make laugh until you cry. Sheila Nevins is the one person who always tells it like it is. In *You Don’t Look Your Age*, the famed documentary producer (as President of

Are our current ways of talking about "the problem of adolescence" really that different than those of past generations? For the past decade, *Act Your Age!* has provided a provocative and now classic analysis of the accepted ways of viewing teens. By employing a groundbreaking "history of the present" methodology that resists traditional chronology, author Nancy Lesko analyzes both historical and present social and political factors that produce the presumed "natural adolescent." This resulting seminal work in the field of youth study forces readers to rethink the dominant interpretations on the social construction of adolescence from the 19th century through the present day. This new edition is updated throughout and includes a full new chapter on 1950s-era assumptions about adolescence and the corresponding connections to teens today. As in all chapters, Lesko provides careful examination of the concerns of nationalism, sexuality, and social order in terms of how they are projected onto the definitions of adolescents in the media, in schools, and in the home.
