Without Fear The Life and Trial of Bhagat Singh By: Kuldip Nayar

When Bhagat Singh Was Executed By The British After A Sham Trial For His Involvement In The Lahore Conspiracy Case At The Age Of Twenty-Three, He Was Glorified By The Indians As A Martyr For His Youth, His Defiance And His Reckless Bravery. It Was Only Many Years Later, After Independence In 1947, That His Writings Came To Light. Today, It Is These That Set Bhagat Singh Apart And Reveal Him As Not Just A Hot-Headed Revolutionary Who Believed In The Cult Of The Bomb But A Widely-Read Intellectual Inspired By The Writings Of Marx And Lenin, To Whom The Betterment Of Indian Society Was As Important As The Ouster Of The British. In This Book, Commemorating The Hundredth Birth Anniversary Of This Iconic Young Man, Kuldip Nayar Takes A Close Look At The Man Behind The Martyr: His Beliefs, His Intellectual Leanings, His Dreams And His Despair. He Also Explains Why Hans Raj Vohra Betrayed Bhagat Singh And His Comrades And Throws New Light On Sukhdev, Whose Loyalties Have Been Questioned By Some Historians.

A veteran journalist and former member of Parliament, Kuldip Nayar is India ' s most well known and widely syndicated journalist. He was born in Sialkot in 1923 and educated at Lahore University before migrating to Delhi with his family at he time of Partition. He began his career in the Urdu newspaper Anjam and after a spell in the USA worked as information officer of Lal Bahadur Shastri and Govind Ballabh Pant.

He eventually became Resident Editor of the Statesman and managing editor of the Indian news agency UNI. He corresponded for the Times for twenty-five years and later served as Indian high commissioner to the UK during the V.P. Singh government. His stand for press freedom during the Emergency, when he was detained; his commitment to better relations between India and Pakistan, and his role as a human rights activist have won him respect and affection in both countries. Author of more than a dozen books, his weekly columns are read across South Asia.

Narrative of political events in India, 1964-1975.

Account of an Indian journalist, imprisoned during emergency, 1975.

Bhagat Singh spent the last two years of his life in jail, awaiting execution. During this time, he and his comrades fought one of the most celebrated court battles in the annals of national liberation struggles, and used the court as a vehicle for the propagation of their revolutionary message. They also struggled against the inhuman conditions in the colonial jail, and faced torture and pain. Their heroism made them icons and figures of inspiration for generations to come. All this is well-known. What is not so well-known is that Bhagat Singh wrote four books in jail. Although they were smuggled out, they were destroyed and are lost forever. What survived was a Notebook that the young martyr kept in jail, full of notes and jottings from what he was reading. In the year of his birth centenary, LeftWord is proud to present his Notebook in an elegant edition. This edition has been checked against the copy preserved in the National Archives of India. The Notebook is richly annotated by Bhupender Hooja; and the annotations have been revised and updated for this edition. Also included are the most important texts that Bhagat Singh wrote in jail, Chaman Lal's lucid introduction, the New York Daily Worker's reports and Periyar's editorial on the hanging.

A Thought-Provoking, Perceptive Memoir By One Of India's Most Respected Writers.

Extolled for his extraordinary courage and sacrifice, Bhagat Singh is one of our most venerated freedom fighters. He is valorised for his martyrdom, and rightly so, but in the ensuing enthusiasm, most of us forget, or consciously ignore, his contributions as an intellectual and a thinker. He not only sacrificed his life, like many others did before and after him, but he also had a vision of independent India. In the current political climate, when it has become routine to appropriate Bhagat Singh as a nationalist icon, not much is known or spoken about his nationalist vision. *Inquilab: Bhagat Singh on Religion and Revolution* provides a corrective to such a situation by bringing together some of Bhagat Singh's seminal writings on his pluralist and egalitarian vision. In doing so, it compels the reader to see that while continuing to celebrate the memory of Bhagat Singh as a martyr and a nationalist, we must also learn about his intellectual legacy. This important book also makes a majority of these writings, hitherto only available in Hindi, accessible for the first time to the English-language readership.

Together in one place, this is a collection of most important works of Bhagat Singh, the Indian communist revolutionary who was executed by the British colonizers in 1931 at the age of 23. Bhagat Singh wrote this diary in the last two years of his young life while he was awaiting execution by the British rulers of India. His jail diary was handed over, along with other belongings to his father, Sardar Kishan Singh after his execution.
