This simple book guides toddlers to choose words that are helpful instead of hurtful and to say “I’m sorry” when hurtful words come out before kids can stop them. Includes tips for parents and caregivers.

With gentle encouragement, this book teaches children that they can think before speaking, choose what to say and how to say it, and find positive ways to respond when others use unkind words. The importance of saying “I’m sorry” is reinforced. Includes tips for parents and caregivers.

Some of your words are kind. But some of them are not. Words are not for hurting. What do hurtful words do? Children are known for speaking their minds. We can't expect them to watch every word, but we can help them to understand that their words affect other people. We can gently guide them to choose words that are helpful instead of hurtful, and to say two very important words—"I'm sorry"—when hurtful words come out before they can stop them. Like Free Spirit's earlier board books Hands Are Not for Hitting and Teeth Are Not for Biting, Words Are Not for Hurting helps little ones learn big ideas: that they are responsible for what they do and say; that their actions and words affect others; and that they can make positive choices. Simple words and delightful full-color illustrations make it perfect for reading aloud one-on-one or in small groups. The book also includes helpful tips for parents and caregivers.

Encourages toddlers and preschoolers to express themselves using helpful, not hurtful, words. Includes a note for parents and caregivers on language development.

With more than 300,000 copies in print, When Helping Hurts is a paradigm-forming contemporary classic on the subject of poverty alleviation. Poverty is much more than simply a lack of material resources, and it takes much more than donations and handouts to solve it. When Helping Hurts shows how some alleviation efforts, failing to consider the complexities of poverty, have actually (and unintentionally) done more harm than good. But it looks ahead. It encourages us to see the dignity in everyone, to empower the materially poor, and to know that we are all uniquely needy—and that God in the gospel is reconciling all things to himself. Focusing on both North American and Majority World contexts, When Helping Hurts provides proven strategies for effective poverty alleviation, catalyzing the idea that sustainable change comes not from the outside in, but from the inside out.

New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare - poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring Outside magazine to name him The Fittest (Real) Man in America. In this course-word-free edition of Can't Hurt Me, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

Sneezes, coughs, runny noses, and messes are facts of everyday life with children. And that's why it's never too soon to teach little ones about germs and ways to stay clean and healthy. This book is a short course for kids on what germs are, what they do, and why it's so important to cover them up, block them from spreading, and wash them down the drain. Simple words complement warm, inviting, full-color illustrations that show real-life situations kids can relate to. A special section for adults includes ideas for discussion and activities.

In the US edition of this international bestseller, Adam Kay channels Henry Marsh and David Sedaris to tell us the “darkly funny” (The New Yorker) -- and sometimes horrifying -- truth about life and work in a hospital. Welcome to 97-hour weeks. Welcome to life and death decisions. Welcome to a constant tsunami of bodily fluids. Welcome to earning less than the hospital parking meter. Wave goodbye to your friends and relationships. Welcome to the life of a first-year doctor. Scribbled in secret after endless days, sleepless nights and missed weekends, comedian and former medical resident Adam Kay's This Is Going to Hurt provides a no-holds-barred account of his time on the front lines of medicine. Hilarious, horrifying and heartbreaking by turns, this is everything you wanted to know -- and more than a few things you didn't -- about life on and off the hospital ward. And yes, it may leave a scar.

As parents and teachers know, yelling comes naturally to children. This friendly, encouraging book, geared to preschool and primary children, introduces and reinforces where and when to use an “indoor voice” or an “outdoor voice.” In classic Best Behavior style the author tells young readers, “Your voice is a powerful tool. How you use it is up to you.” Vivid illustrations show the times and places for an indoor voice, the ways people ask us to quiet our voices, and times when yelling might occur. “What happens if you’re mad or frustrated or really, really excited? Your voice gets louder and LOUDER.” But yelling hurts people’s ears and feelings. Children learn that they can quiet their voice and use their words to talk about a problem. “Think before you yell, and use your words well!” Includes a special section for parents and caregivers with activities and discussion starters. The Best Behavior series uses simple words and delightful full-color illustrations to guide children to choose peaceful, positive behaviors. Select titles are available in two versions: a durable board book for ages baby–preschool, and a longer, more in-depth paperback for ages 4–7. Kids, parents, and teachers love these award-winning books. All include helpful tips and ideas for parents and caregivers.

“Crunch crunch crunch. Teeth are strong and sharp. Crunch crunch crunch. Teeth can help you chew. But teeth are not for biting. Ouch! Biting hurts.” Sooner or later, almost all young children will bite someone—a friend, a parent, a sibling. This upbeat, colorful, virtually indestructible book helps prevent biting and teaches positive alternatives. The companion to our best-selling Hands Are Not for Hitting Board Book, Teeth Are Not for Biting gives reasons why children might want to bite. Little mouths feel sore when new teeth come in; sometimes kids bite when they’re hungry, tired, cranky, frustrated, angry, bored, distressed, or seeking attention. Author Elizabeth Verdick suggests positive things children can do instead of biting: chew a chewy toy, drink a cold drink, get a hug, tell a grown-up. This book also includes helpful tips for parents and caregivers.
